

**ACCELERATED DEATH BENEFIT SUMMARY and DISCLOSURE STATEMENT**

**EFFECTIVE DATE** – The Accelerated Death Benefit Endorsement takes effect on the Policy or Certificate Date.

**PREMIUM** – There is no additional premium charge for the Accelerated Death Benefit Endorsement provided under this life insurance Policy or Certificate. However, there is an administrative fee when an Accelerated Death Benefit Payment is made.

The accelerated death benefits provided under the endorsement of this life insurance Policy or Certificate may provide benefits to pay for long-term care services but are NOT part of a long-term care or nursing home insurance Policy or Certificate and the amount these products pay may not be enough to cover your medical, nursing home or other bills. Accelerated Death Benefit Payments used to pay for long-term care services are subject to limits imposed by the federal government and any amounts received in excess of these limits are includible in taxable income. You may use the money you receive as an accelerated death benefit for any purpose. Unlike conventional life insurance proceeds, amounts payable as accelerated death benefits **COULD BE TAXABLE UNDER SOME CIRCUMSTANCES**. We recommend that you consult your personal tax advisor prior to electing an accelerated death benefit.

If you already have long-term care insurance, Medicaid, or similar coverage, you should consider whether the accelerated death benefits provided under this Policy or Certificate are suitable for your needs. Receipt of accelerated death benefits under this Policy or Certificate **MAY AFFECT YOUR ELIGIBILITY FOR MEDICAID, SUPPLEMENTAL SECURITY INCOME (“SSI”), OR OTHER GOVERNMENT BENEFITS OR ENTITLEMENTS**. Contact the Medicaid Unit of your local Department of Public Welfare and the Social Security Administration Office for more information.

**THE BENEFIT AND ITS EFFECT ON POLICY OR CERTIFICATE PROVISIONS**

Upon written request by the owner (“You”) of the Policy or Certificate, the company will pay an Accelerated Death Benefit described below, subject to the limitations and requirements outlined in the Accelerated Death Benefit Endorsement. Any assignee or Irrevocable Beneficiary must consent before we make an Accelerated Death Benefit Payment. The maximum Accelerated Death Benefit that We will accelerate on the Policy or Certificate is \$1,000,000. Accelerated Death benefits paid under this Endorsement will reduce the Policy or Certificate’s Death Benefit and Policy or Certificate values, if any, which include but are not limited to the Account Value, Net Cash Surrender Value, and loan value.

**Accelerated Death Benefit for Terminal Illness:** You may elect to receive advancement of the Death Benefit when the Survivor or Insured has a Terminal Illness while this Endorsement is in effect. A Survivor or Insured qualifies as being Terminally Ill if a Physician has certified that the Survivor’s or Insured’s life expectancy is 24 months or less.

The minimum Accelerated Death Benefit for Terminal Illness is the lesser of 10% of the Death Benefit on the Election Date or \$100,000.

The maximum Accelerated Death Benefit for Terminal Illness is the lesser of 75% of the Death Benefit on the Election Date or \$750,000.

The Accelerated Benefit Payment (hereinafter “Payment”) will be determined upon Your election. Payment will be paid in a lump sum. We will pay the present value of the Policy or Certificate Death Benefit that is being accelerated (the Accelerated Death Benefit). An actuarial discount based on mortality and interest will be applied to the Accelerated Death Benefit. This discount reflects the early payment of the Death Benefit that is being accelerated.

We will waive the Monthly Deductions following the Election of Accelerated Death Benefits for Terminal Illness. Upon Election, all Riders and Endorsements attached to the Policy or Certificate will continue to be effective subject to the terms and conditions of each Rider or Endorsement. After You receive Accelerated Death Benefits for Terminal Illness under this Endorsement and as stated in Your Policy or Certificate, You may take Withdrawals; elect to increase or decrease the Specified Amount or change the Death Benefit Option; and You may obtain loans as described under the Policy or Certificate loan provision. A portion of the Accelerated Death Benefit Payment will be used to reduce any Policy or Certificate Debt.

Only one election can be made for Terminal Illness under this Endorsement. If the Survivor or Insured dies after You elect to receive Accelerated Death Benefits under this Endorsement, but before any Accelerated Death Benefit Payment is made, the Election will be cancelled and the Death Benefit will be paid as described in Your Policy or Certificate.

**Accelerated Death Benefit for Chronic Illness (if available)<sup>1</sup>:** You may elect to receive advancement of the Accelerated Death Benefits when the Survivor or Insured is Chronically Ill while this Endorsement is in effect.

A Survivor or Insured qualifies as being Chronically Ill if a Physician has certified within the last 12 months that the Survivor or Insured:

1. Is permanently unable to perform for at least 90 consecutive days, without Substantial Assistance from another person, at least two Activities of Daily Living; "90 consecutive days" includes consecutive days immediately prior to the Policy or Certificate being in effect; or
2. Requires Substantial Supervision by another person to protect oneself from threats to health and safety due to Severe Cognitive Impairment.

Activities of Daily Living are: bathing, continence, dressing, eating, toileting, or transferring.

Severe Cognitive Impairment means deterioration or loss of intellectual capacity that is measured by clinical evidence and standardized tests which reliably measure impairment in:

1. Short-term or long-term memory; or
2. Orientation to people, places, or time; or
3. Deductive or abstract reasoning.

The minimum Accelerated Death Benefit for Chronic Illness, at each Election, except the Final Election, is the smaller of 5% of the Policy or Certificate Death Benefit on the Initial Election Date or \$50,000.

You can accelerate an amount less than the minimum Accelerated Death Benefit for Chronic Illness allowed if it is necessary to do so to comply with the \$1,000,000 maximum Accelerated Death Benefit limitation for this Endorsement.

The maximum Accelerated Death Benefit for Chronic Illness, at each Election, is the smaller of 24% of the Policy or Certificate Death Benefit on the initial Election Date, or \$240,000. This amount may be smaller for a Final Election.

The Accelerated Benefit Payment will be determined as of each Election Date. Each Payment will be paid in a lump sum, unless a Periodic Payment is chosen by You. We will pay the present value of the Policy or Certificate Death Benefit that is being accelerated (the Accelerated Death Benefit). An actuarial discount based on mortality and interest will be applied to the Accelerated Death Benefit. This discount reflects the early payment of the Death Benefit that is being accelerated.

Under a Periodic Payment, We will divide the Accelerated Death Benefit Payment into equal Periodic Payments that will be paid in lieu of a lump sum payment. You may select to receive Periodic Payments as frequently as once each month.

A Final Election is available if the maximum Chronic Illness Accelerated Death Benefit at the time of Election is greater than the remaining Death Benefit in the Policy or Certificate, minus the Residual Death Benefit. A Final Election occurs when You accelerate all of the Death Benefit in Your Policy or Certificate, minus the Residual Death Benefit. The Payment must first be applied to pay off any Policy or Certificate Debt to Us.

Residual Death Benefit is the greater of 5% of the Policy or Certificate Death Benefit on the Initial Election Date or \$10,000. The Residual Death Benefit only applies to benefits for Chronic Illness.

We will waive the Monthly Deductions while a Chronic Illness Election is in effect (12 months following the Election Date) immediately prior to the Initial Election Date if the Death Benefit does not exceed \$1,000,000. If the Death Benefit immediately prior to the initial Election Date exceeds \$1,000,000, while an Election is in effect the Monthly Deductions will be multiplied by the specified ratio, as stated in the Endorsement. Monthly Deductions will stop being waived when an Election is no longer in effect.

In addition, while the Chronic Illness Election is in effect and as stated in Your Policy or Certificate, You cannot take Withdrawals; cannot elect to increase or decrease the Specified Amount or change the Death Benefit Option; and after any Election, other than a Final Election, You may obtain loans as described under the Policy or Certificate Loan provisions of the Policy or Certificate. On the Election Date, the Policy or Certificate Debt and the Accelerated Death Benefit Payment will be reduced by the Debt Repayment Amount. Following a Final Election, Policy or Certificate Loans are not available.

Upon any Election other than a Final Election, all Riders and Endorsements attached to the Policy or Certificate will continue to be effective subject to the terms and conditions of each Rider or Endorsement. Upon a Final Election, all Riders and Endorsements, except this Endorsement, attached to the Policy or Certificate will terminate on the Final Election date. After the Initial Election Date, no additional Riders or Endorsements may be added to the Policy or Certificate to which this Endorsement is attached.

A Chronic Illness Election is effective for 12 months starting from the Election Date and only one Election can be made in this 12-month period. If the Survivor or Insured dies after You elect to receive Accelerated Death Benefits, but before the payment is made, the Election will be cancelled and the Death Benefit will be paid as described in Your Policy or Certificate. If the Survivor or Insured dies before all Periodic Payments are paid, We will pay the Death Benefit in lieu of the remaining Accelerated Death Benefit Payments. If a Final Election has occurred, the Residual Death Benefit will be paid to the Beneficiary in a lump sum upon due proof of death of the Survivor or Insured.

**<sup>1</sup> Proposed Insureds are subject to underwriting eligibility requirements to qualify for the Chronic Illness benefit of the Accelerated Death Benefit Endorsement. If a Proposed Insured does not meet the underwriting eligibility requirements, only the Accelerated Death Benefits Endorsement for Terminal Illness is available.**

**The policy for which you have applied is not registered as a security. Therefore, purchasing this indexed life insurance policy is not the same as making an investment directly in the stock market. This summary is not intended to be a full description of the policy. Please refer to your policy when issued for complete details and definitions.**

### ALLOCATION CHOICES

You may direct Your money among the Fixed Account and/or any combination of the following Indices:

1. The Standard & Poor's 500<sup>®</sup> Composite Stock Price Index (S&P 500<sup>®</sup>)
2. The Dow Jones Industrial Average<sup>SM</sup> (DJIA<sup>SM</sup>) Composite Stock Price Index
3. The Nasdaq-100<sup>®</sup> Stock Price Index
4. The S&P MidCap 400<sup>®</sup>
5. The Russell 2000<sup>®</sup>
6. The Dow Jones EURO STOXX 50<sup>®</sup>
7. Uncapped S&P 500<sup>®</sup>
8. Multi-Index Group

### INDEX CREDITING METHODS

The earnings credited to the selected Index(es) are calculated through the use of either the Daily Averaging method, the Annual Point-to-Point method, the Monthly Point-to-Point method. No Index Credits will be applied until the end of the Index Period and money withdrawn or surrendered prior to this time will not receive Index Credits.

- When the **Daily Averaging** method is chosen, the Index change is determined by calculating the difference between the Index Value on the first day of the Index Period and the average Index Value throughout the Index Period. The Index change is subject to the Index Participation Rate, Index Cap Rate, and Index Floor Rate. The Index Credit, if any, is credited and locked in at the end of the Index Period. The Daily Averaging crediting method is available for the S&P 500<sup>®</sup>, S&P MidCap 400<sup>®</sup>, Russell 2000<sup>®</sup> and DJIA<sup>SM</sup>.
- When the **Annual Point-to-Point** method is chosen, the Index credit is determined by calculating the change between the Index Value on the first day of the Index Period and last day of the Index Period. The Index growth is subject to the Index Cap Rate and any earnings are credited and locked in at the end of the 12 month Index Period. The rate credited will never be less than zero percent. The Annual Point-to-Point crediting method is available for the S&P 500<sup>®</sup>, S&P MidCap 400<sup>®</sup>, Russell 2000<sup>®</sup>, DJIASM, Dow Jones EURO STOXX 50<sup>®</sup>, and NASDAQ-100<sup>®</sup>.
- When the **Monthly Point-to-Point** method is chosen, the Index credit is determined by calculating the 12 Monthly Index Returns which are determined by the change in the Index during the month. The Monthly Index Return can not be greater than the Monthly Cap Rate and it can be a negative number. At the end of the 12 month Index Period, the 12 preceding Monthly Index Returns are added together to determine the Index Credit which is credited and locked in. The rate credited at the end of the Index Segment will never be less than zero percent, and will never be greater than 12 times the Monthly Cap Rate. The Monthly Point to Point crediting method is available for the S&P 500<sup>®</sup>.

Copy 1 - Administrative Office, Copy 2 - Applicant, Copy 3 – Agent

- When the **Multi-Index Annual Point-to-Point** method is chosen, the Index credit is determined by calculating a Multi-Index change between the first day of the Index Period and the last day of the Index Period. The Multi-Index change uses the following three indices – S&P 500<sup>®</sup>, Dow Jones EURO STOXX 50<sup>®</sup> and Russell 2000<sup>®</sup>. The annual point-to-point Index growth from each of the three individual indices derives the Multi-Index change. 50% of the best performing Index growth plus 30% of the second best performing Index growth plus 20% of the third best performing Index growth equals the Multi-Index change. The Multi-Index change is subject to the Index Cap Rate and any earning are credited and locked in at the end of the 12 month Index Period. The rate credited will never be less than zero percent.

**NOTICE OF AIDS VIRUS ANTIBODY TESTING  
AND AUTHORIZATION  
FOR TESTING AND DISCLOSURE**

This document contains important information concerning the AIDS virus antibody test that we require you undergo to apply for insurance with us. It also contains information about who will have access to the information we obtain.

**READ THIS NOTICE VERY CAREFULLY. DO NOT SIGN IT UNLESS IT IS COMPLETELY FILLED OUT AND YOU HAVE READ AND UNDERSTOOD IT.**

You have up to 21 days from the date you receive this form to decide whether to sign this authorization.

## MODEL NOTICE OF AIDS VIRUS ANTIBODY TESTING AND AUTHORIZATION FOR TESTING AND DISCLOSURE

In connection with your insurance, your blood sample will be tested for the presence of the AIDS virus (HIV) antibody. Before consenting to this test, you are urged to read the following information about AIDS, the nature of the test and other AIDS-related information. After you read this material, you will find a request for your written authorization to be tested for the AIDS virus and for subsequent disclosure of test results. You should be aware that a positive test result may result in the denial of your insurance application.

### INFORMATION ABOUT AIDS

AIDS is a condition caused by the human immunodeficiency virus (HIV). In some individuals the virus reduces the body's normal defense mechanisms against certain diseases or infections. As a result, such people often develop such unusual conditions as severe pneumonia or a rare skin cancer. The symptoms of AIDS may include the following, although other causes of these symptoms are more likely: unexplained weight loss; persistent night sweats, cough, shortness of breath, diarrhea and white spots evidencing fungal infection, fever and swollen lymph nodes lasting more than one month; and raised purple spots on or under the skin or on mucous membranes.

From medical studies, it is clear the following groups are at a high risk of contracting AIDS:

- \* Past or present users of intravenous drugs
- \* Males who have had sex with more than one male since the late 1970's;
- \* Recipients of blood or blood products infected by the HIV virus; and
- \* Sexual partners of individuals belonging to any of the above categories.

### HIV ANTIBODY TEST

The HIV antibody test is actually a series of tests designed to detect the presence of antibodies to the AIDS virus rather than detect the virus itself. Antibodies to the AIDS virus are found in the blood of most patients with AIDS and AIDS-related complex (ARC), and can be found in people who do not have AIDS or ARC but have been exposed to the virus.

Your blood sample will first be subjected to a test known as ELISA (enzyme-linked immunosorbent assay). If the result of this test is positive, the ELISA test will be repeated. If this repeat ELISA test is also positive, your blood specimen will then be subjected to another, more specific technique called the Western blot test, for confirmation. Your test result is considered positive only after positive results are obtained on two ELISA tests and a Western blot test.

Positive Test Results. In general, if you receive such a positive test result, there is a high probability that you have HIV antibodies in your blood. However, there is a risk that a person who has not been exposed to the virus will be incorrectly classified by the test as having a positive test result. This is called a "false positive" result. People who are not in one of the "high risk" groups listed above who get a positive test result are much more likely to receive a "false positive" than those who are in a high risk group.

A positive test result does not mean that you have AIDS. The diagnosis of AIDS is established using a patient's history, symptoms, and physical examination. A positive test result does mean, however, that you are at risk of developing AIDS or AIDS-related conditions. It also means that, without taking precautions, you may transmit the virus to other people. Therefore, the following steps are recommended to limit the spread of AIDS: (1) stop donating blood; (2) limit sexual contacts and follow "safe sex" practices; (3) inform your sexual partners; (4) notify your doctor; and (5) if you are considering having a child, carefully evaluate the risks to the fetus.

If your test result is positive, the test result will be sent to the doctor you designate on this form, or if you prefer, we will mail the result directly to you no later than 45 days after your blood sample is taken. It is strongly recommended that you consult a physician or obtain counseling to learn more about the meaning of such a result.

Negative Test Results. If your test result is not positive, you most likely have not been infected by the virus. However, it is possible to have been infected with the virus within the past year and not yet have developed antibodies that cause a positive test result. It is possible to receive a "false negative" result.

### COUNSELING AND ALTERNATIVE TEST SITES

You may experience increased anxiety as a result of having this test performed or receiving a positive test result. Many public health organizations recommend that before a person takes an AIDS-related test, he or she obtain counseling about the test and about AIDS. A source of information about AIDS and counseling is the AIDS Action Line. In addition, the Massachusetts Department of Public Health offers free anonymous HIV antibody testing, with pre-test and post-test counseling at its Alternative Test Sites. For additional information regarding AIDS, AIDS testing or counseling, or to obtain a free, anonymous test, individuals in the high risk categories listed above are encouraged to contact the Massachusetts Department of Public Health, Alternative Test Sites for an appointment. Confidential and/or anonymous HIV antibody testing (not blood donation) and counseling is also available at various locations in Massachusetts for a fee of \$35 by appointment with the American Red Cross.

If you wait up to 21 days from the date you receive this form to decide whether to be tested, unless other circumstances relating to your eligibility change, this delay will not affect our decision to offer you insurance.

### CONFIDENTIALITY

Under Massachusetts law we must treat all AIDS-related information (including test results) as highly confidential. We have established safeguards within our company that will protect the privacy of any AIDS-related information that is in your files. We have designated employees who are responsible for keeping this information confidential. We have designated certain personnel who will have access to AIDS-related information if they need the information in connection with an insurance transaction. Other personnel are aware that they are not permitted access to such information. We will make sure that AIDS-related information that is stored in a computer data bank or other files is protected by reasonable security safeguards.

To handle your insurance business, we may need to disclose your test results or other AIDS-related information to employees, reinsurers, contractors or attorneys who need AIDS-related information for underwriting, claims or another necessary business purpose in connection with your insurance transaction. These persons and entities have been informed of their clear legal obligation to maintain the confidentiality of all AIDS-related information, including test results. Similar privacy safeguards have also been adopted by the laboratory that will perform tests on your blood sample, and by any contractor, reinsurer or attorney to whom we might grant access to AIDS-related information. If we need to disclose to anyone else information about you and AIDS, we must again ask you to provide prior written consent to such disclosure. However, AIDS-related information could be disclosed without your consent in response to a subpoena. If you believe that your right to the confidentiality of any AIDS-related information about you has been violated, you should contact the Division of Insurance by writing to the Division's Consumer Services Section, 470 Atlantic Ave, Boston, MA 02210-2223.

Medical Information Bureau (MIB). If your test result is positive, we will make a report indicating a nonspecific abnormal blood test result to the Medical Information Bureau, Inc. (MIB). The nature of the test will not be reported; there will be no record with the MIB that you had a positive HIV antibody test. The MIB is a nonprofit organization of life insurance companies which operates an information exchange for its members. Our decision on whether or not to issue you a policy will not be sent to the MIB. If you later apply to another MIB member company for life or health insurance or submit a claim for life or disability insurance benefits, the MIB will, upon request, provide that company with information in its file, including information we have furnished.
