ACCELERATED BENEFIT SUMMARY AND DISCLOSURE STATEMENT

EFFECTIVE DATE – The Accelerated Benefit Endorsement effective date is the same as the Policy Date shown in the Policy Schedule.

PREMIUM – There is no cost for this Endorsement.

The accelerated death benefits provided under the endorsement of this life insurance Policy may provide benefits to pay for long-term care services but are NOT part of a long-term care or nursing home insurance Policy and the amount these products pay may not be enough to cover your medical, nursing home or other bills. Accelerated Death Benefit Payments used to pay for long-term care services are subject to limits imposed by the federal government and any amounts received in excess of these limits are includible in taxable income. You may use the money you receive as an accelerated death benefit for any purpose. Unlike conventional life insurance proceeds, amounts payable as accelerated death benefits COULD BE TAXABLE UNDER SOME CIRCUMSTANCES. We recommend that you consult your personal tax advisor prior to electing an accelerated death benefit.

If you already have long-term care insurance, Medicaid, or similar coverage, you should consider whether the accelerated death benefits provided under this Policy are suitable for your needs. Receipt of accelerated death benefits under this Policy MAY AFFECT YOUR ELIGIBILITY FOR MEDICAID, SUPPLEMENTAL SECURITY INCOME (“SSI”), OR OTHER GOVERNMENT BENEFITS OR ENTITLEMENTS. Contact the Medicaid Unit of your local Department of Public Welfare and the Social Security Administration Office for more information.

BENEFIT – Under the terms of the Endorsement, we will provide a payment of this Benefit during the lifetime of the Insured if the Insured develops a terminal condition. This will be an advance on the death benefit of this Policy. Payment of an Accelerated Benefit will reduce the amount of proceeds payable to your beneficiary.

The maximum amount of accelerated benefit payable is 75% of the Death Benefit (not to exceed \$250,000) of this Policy. Benefits will not be paid more than once for any terminal condition.

EFFECT OF THE BENEFIT – The Policy will stay in force. You must pay any required premium when due unless premiums are being waived under a waiver of premium Endorsement. Where applicable, cash values and loan balances and paid-up insurance will be reduced in the same proportion as the amount of benefit paid under this Endorsement. The amount of insurance is the amount of life insurance coverage provided by the Policy to which this Endorsement is attached and may be defined in the policy as “Specified Amount”, “Face Amount” or “Amount of Insurance”.

NOTICE AND PROOF OF CLAIM – To apply for this benefit, You must send Us the following:

1. Your written election of this option;
2. Your written designation of us as an irrevocable beneficiary for the portion of the policy death benefit proceeds equal to the Amount of the Accelerated Benefit;
3. Proof acceptable to us from a licensed physician other than the Insured or a member of his immediate family that:
 - a. The Insured has been diagnosed as having a terminal condition;
 - b. Such terminal condition was first diagnosed while the Insured was covered under this policy; and
 - c. Such terminal condition is expected to result in death within two years.

We may require a second opinion and examination of the Insured at our expense by a physician designated by us.

We must receive a signed consent from any irrevocable beneficiaries and any assignees.

REINSTATEMENT OF ENDORSEMENT – If the base Policy terminated and is reinstated, the Endorsement may be included with the reinstated Policy, providing it was in force at the time of the Policy's termination.

Inquiries regarding this Summary should be directed to your agent, or to Us at:

**North American Company for Life and Health Insurance
Administrative Office
P.O. Box 5088
Sioux Falls, South Dakota 57117-5088**

Unless otherwise provided in the election of this option, the Payee may neither commute, anticipate, assign, alienate nor otherwise encumber any payment under this option. Proceeds under this policy and Endorsement and any payment under this endorsement will be exempt from the claims of creditors and from legal process to the extent permitted by law.

NOTICE AND CONSENT FORM FOR AIDS VIRUS (HIV) ANTIBODY/ANTIGEN TESTING

INSURER NAME AND ADDRESS:

NORTH AMERICAN COMPANY FOR LIFE AND HEALTH INSURANCE
4601 Westown Parkway, Suite #300
West Des Moines, IA 50266

As part of your application for insurance, and to evaluate your acceptability for coverage, it is requested that you consent to be tested to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV). The HIV antibody test is a series of tests performed on your blood or other body fluid sample for analysis. The testing will be performed by a licensed laboratory through medically accepted procedures. By signing and dating this form, you agree that these tests may be performed and that the results will be considered in deciding whether to accept or decline applications for coverage.

INFORMATION ON HIV

The HIV virus causes a life-threatening disorder of the immune system called Acquired Immune Deficiency Syndrome (AIDS). The virus is transmitted from one person to another through blood, semen, and vaginal fluids. The virus is most commonly spread through sexual contact (vaginal, anal, or oral intercourse) and by sharing of needles and syringes to shoot injectable drugs. An infected mother may infect her baby during pregnancy, at the time of birth, or while breast feeding. HIV is not spread through casual contact, such as eating with or touching a person infected with the virus. There is no medical evidence that HIV is spread by kissing.

PRE-TEST CONSIDERATIONS

Many public health organizations have recommended that before taking an AIDS virus (HIV) antibody/antigen test, a person seek counseling to become informed concerning the implications of such tests. You may wish to consider counseling at your own expense, prior to being tested.

Alternative AIDS-related testing and counseling are also provided by the Pennsylvania Department of Health and local health departments. To obtain additional information on such testing and counseling services call the Pennsylvania Department of Health at (717) 783-0479.

CONFIDENTIALITY OF TEST RESULTS

All test results will be treated confidentially. They will be reported by the laboratory to the insurer identified on this form. The test results may be disclosed as required by law. The results may be disclosed to those responsible for making underwriting decisions on behalf of the Insurer, such as its affiliated companies, reinsurers or contractors, and third party administrators. The test results may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular person.

MEANING OF POSITIVE TEST RESULTS

While a positive HIV antibody test result does not mean that you have AIDS, it does mean that you may be at increased risk of developing AIDS or AIDS-related conditions. The tests are tests for antibodies to the HIV virus, the causative agent for AIDS, and show whether you have been exposed to the virus.

Positive HIV antibody/antigen test results will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

L2412PA2

NOTIFICATION OF TEST RESULTS

If your test results are negative, no routine notification will be sent to you, unless specifically requested by you. In the event your HIV test results are positive, Pennsylvania state law requires that disclosure to you be provided by the physician or health department you designate below.

CONSENT

I have read and I understand this Notice and Consent Form. I voluntarily consent to testing and disclosure as described above. I understand that I have the right to request and receive a copy of this form. This consent shall remain in effect unless revoked by me in writing and received by the Insurance Company. A photocopy of this form will be as valid as the original.

I also understand that at any time I may revoke my consent to the disclosure of test results as described in the sections entitled Disclosure of Test Results and Notification of Test Results. However, such revocation will not be effective to the extent that the person who is to make the disclosure has already acted in reliance on my consent.

I designate the following entity to receive positive HIV test results:

NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest; however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have twenty days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.
