### ACCELERATED DEATH BENEFIT SUMMARY and DISCLOSURE STATEMENT

**EFFECTIVE DATE** – The Accelerated Death Benefit Endorsement takes effect on the Policy or Certificate Date.

**PREMIUM** – There is no additional premium charge for the Accelerated Death Benefit Endorsement provided under this life insurance Policy or Certificate. However, there is an administrative fee when an Accelerated Death Benefit Payment is made.

The accelerated death benefits provided under the endorsement of this life insurance Policy or Certificate may provide benefits to pay for long-term care services but are NOT part of a long-term care or nursing home insurance Policy or Certificate and the amount these products pay may not be enough to cover your medical, nursing home or other bills. Accelerated Death Benefit Payments used to pay for long-term care services are subject to limits imposed by the federal government and any amounts received in excess of these limits are includible in taxable income. You may use the money you receive as an accelerated death benefit for any purpose. Unlike conventional life insurance proceeds, amounts payable as accelerated death benefits **COULD BE TAXABLE UNDER SOME CIRCUMSTANCES**. We recommend that you consult your personal tax advisor prior to electing an accelerated death benefit.

If you already have long-term care insurance, Medicaid, or similar coverage, you should consider whether the accelerated death benefits provided under this Policy or Certificate are suitable for your needs. Receipt of accelerated death benefits under this Policy or Certificate **MAY AFFECT YOUR ELIGIBILITY FOR MEDICAID, SUPPLEMENTAL SECURITY INCOME (“SSI”), OR OTHER GOVERNMENT BENEFITS OR ENTITLEMENTS**. Contact the Medicaid Unit of your local Department of Public Welfare and the Social Security Administration Office for more information.

### THE BENEFIT AND ITS EFFECT ON POLICY OR CERTIFICATE PROVISIONS

Upon written request by the owner (“You”) of the Policy or Certificate, the company will pay an Accelerated Death Benefit described below, subject to the limitations and requirements outlined in the Accelerated Death Benefit Endorsement. Any assignee or Irrevocable Beneficiary must consent before we make an Accelerated Death Benefit Payment. The maximum Accelerated Death Benefit that We will accelerate on the Policy or Certificate is \$1,000,000. Accelerated Death benefits paid under this Endorsement will reduce the Policy or Certificate’s Death Benefit and Policy or Certificate values, if any, which include but are not limited to the Account Value, Net Cash Surrender Value, and loan value.

**Accelerated Death Benefit for Terminal Illness:** You may elect to receive advancement of the Death Benefit when the Survivor or Insured has a Terminal Illness while this Endorsement is in effect. A Survivor or Insured qualifies as being Terminally Ill if a Physician has certified that the Survivor’s or Insured’s life expectancy is 24 months or less.

The minimum Accelerated Death Benefit for Terminal Illness is the lesser of 10% of the Death Benefit on the Election Date or \$100,000.

The maximum Accelerated Death Benefit for Terminal Illness is the lesser of 75% of the Death Benefit on the Election Date or \$750,000.

The Accelerated Benefit Payment (hereinafter “Payment”) will be determined upon Your election. Payment will be paid in a lump sum. We will pay the present value of the Policy or Certificate Death Benefit that is being accelerated (the Accelerated Death Benefit). An actuarial discount based on mortality and interest will be applied to the Accelerated Death Benefit. This discount reflects the early payment of the Death Benefit that is being accelerated.

We will waive the Monthly Deductions following the Election of Accelerated Death Benefits for Terminal Illness. Upon Election, all Riders and Endorsements attached to the Policy or Certificate will continue to be effective subject to the terms and conditions of each Rider or Endorsement. After You receive Accelerated Death Benefits for Terminal Illness under this Endorsement and as stated in Your Policy or Certificate, You may take Withdrawals; elect to increase or decrease the Specified Amount or change the Death Benefit Option; and You may obtain loans as described under the Policy or

Certificate loan provision. A portion of the Accelerated Death Benefit Payment will be used to reduce any Policy or Certificate Debt.

Only one election can be made for Terminal Illness under this Endorsement. If the Survivor or Insured dies after You elect to receive Accelerated Death Benefits under this Endorsement, but before any Accelerated Death Benefit Payment is made, the Election will be cancelled and the Death Benefit will be paid as described in Your Policy or Certificate.

**Accelerated Death Benefit for Chronic Illness (if available)<sup>1</sup>:** You may elect to receive advancement of the Accelerated Death Benefits when the Survivor or Insured is Chronically Ill while this Endorsement is in effect.

A Survivor or Insured qualifies as being Chronically Ill if a Physician has certified within the last 12 months that the Survivor or Insured:

1. Is permanently unable to perform for at least 90 consecutive days, without Substantial Assistance from another person, at least two Activities of Daily Living; "90 consecutive days" includes consecutive days immediately prior to the Policy or Certificate being in effect; or
2. Requires Substantial Supervision by another person to protect oneself from threats to health and safety due to Severe Cognitive Impairment.

Activities of Daily Living are: bathing, continence, dressing, eating, toileting, or transferring.

Severe Cognitive Impairment means deterioration or loss of intellectual capacity that is measured by clinical evidence and standardized tests which reliably measure impairment in:

1. Short-term or long-term memory; or
2. Orientation to people, places, or time; or
3. Deductive or abstract reasoning.

The minimum Accelerated Death Benefit for Chronic Illness, at each Election, except the Final Election, is the smaller of 5% of the Policy or Certificate Death Benefit on the Initial Election Date or \$50,000.

You can accelerate an amount less than the minimum Accelerated Death Benefit for Chronic Illness allowed if it is necessary to do so to comply with the \$1,000,000 maximum Accelerated Death Benefit limitation for this Endorsement.

The maximum Accelerated Death Benefit for Chronic Illness, at each Election, is the smaller of 24% of the Policy or Certificate Death Benefit on the initial Election Date, or \$240,000. This amount may be smaller for a Final Election.

The Accelerated Benefit Payment will be determined as of each Election Date. Each Payment will be paid in a lump sum, unless a Periodic Payment is chosen by You. We will pay the present value of the Policy or Certificate Death Benefit that is being accelerated (the Accelerated Death Benefit). An actuarial discount based on mortality and interest will be applied to the Accelerated Death Benefit. This discount reflects the early payment of the Death Benefit that is being accelerated.

Under a Periodic Payment, We will divide the Accelerated Death Benefit Payment into equal Periodic Payments that will be paid in lieu of a lump sum payment. You may select to receive Periodic Payments as frequently as once each month.

A Final Election is available if the maximum Chronic Illness Accelerated Death Benefit at the time of Election is greater than the remaining Death Benefit in the Policy or Certificate, minus the Residual Death Benefit. A Final Election occurs when You accelerate all of the Death Benefit in Your Policy or Certificate, minus the Residual Death Benefit. The Payment must first be applied to pay off any Policy or Certificate Debt to Us.

Residual Death Benefit is the greater of 5% of the Policy or Certificate Death Benefit on the Initial Election Date or \$10,000. The Residual Death Benefit only applies to benefits for Chronic Illness.

We will waive the Monthly Deductions while a Chronic Illness Election is in effect (12 months following the Election Date) immediately prior to the Initial Election Date if the Death Benefit does not exceed \$1,000,000. If the Death Benefit immediately prior to the initial Election Date exceeds \$1,000,000, while an Election is in effect the Monthly Deductions will be multiplied by the specified ratio, as stated in the Endorsement. Monthly Deductions will stop being waived when an Election is no longer in effect.

In addition, while the Chronic Illness Election is in effect and as stated in Your Policy or Certificate, You cannot take Withdrawals; cannot elect to increase or decrease the Specified Amount or change the Death Benefit Option; and after any Election, other than a Final Election, You may obtain loans as described under the Policy or Certificate Loan provisions of the Policy or Certificate. On the Election Date, the Policy or Certificate Debt and the Accelerated Death

Benefit Payment will be reduced by the Debt Repayment Amount. Following a Final Election, Policy or Certificate Loans are not available.

Upon any Election other than a Final Election, all Riders and Endorsements attached to the Policy or Certificate will continue to be effective subject to the terms and conditions of each Rider or Endorsement. Upon a Final Election, all Riders and Endorsements, except this Endorsement, attached to the Policy or Certificate will terminate on the Final Election date. After the Initial Election Date, no additional Riders or Endorsements may be added to the Policy or Certificate to which this Endorsement is attached.

A Chronic Illness Election is effective for 12 months starting from the Election Date and only one Election can be made in this 12-month period. If the Survivor or Insured dies after You elect to receive Accelerated Death Benefits, but before the payment is made, the Election will be cancelled and the Death Benefit will be paid as described in Your Policy or Certificate. If the Survivor or Insured dies before all Periodic Payments are paid, We will pay the Death Benefit in lieu of the remaining Accelerated Death Benefit Payments. If a Final Election has occurred, the Residual Death Benefit will be paid to the Beneficiary in a lump sum upon due proof of death of the Survivor or Insured.

<sup>1</sup> Proposed Insureds are subject to underwriting eligibility requirements to qualify for the Chronic Illness benefit of the Accelerated Death Benefit Endorsement. If a Proposed Insured does not meet the underwriting eligibility requirements, only the Accelerated Death Benefits Endorsement for Terminal Illness is available.

## CONSUMER PROTECTION NOTICES FOR THE PROPOSED INSURED

### Investigative Consumer Report Notice

In connection with your application for insurance, an investigative consumer report may be prepared, in which information is obtained from public records and through personal interviews with your neighbors, friends, employers, business associates, financial sources, or others with whom you are acquainted. This inquiry includes information as to your character, general reputation, personal characteristics and mode of living. You may make a written request to be interviewed in connection with the preparation of this report and receive a copy of the report. Either of these written requests should be directed to the Underwriting Department at the above address.

### Insurance Information Practices

Personal information we obtain during the underwriting process is private and confidential. We will not disclose such information to other person or organizations without your written authorization, except to the extent necessary to conduct our business, or as permitted or required by law. You have the right to be told about and obtain access to certain items of personal information in our files. You also have the right to request correction of information you believe to be inaccurate. You have the right to receive the specific reason for an adverse underwriting decision in writing upon your written request. If you would like to receive more detailed explanation of our information practices, please write to us at the above address.

### Medical Information Bureau Notice

Information regarding your insurability will be treated as confidential. North American Company for Life and Health Insurance, or its reinsurers, may, however, make a brief report thereon to the MIB, INC., formerly known as Medical Information Bureau, a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its Members. If you apply to another MIB member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866 692-6901 (TTY 866-346-3642). If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of MIB's information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734.

North American Company for Life and Health Insurance, or its reinsurers, may also release information in its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted. Information for consumers about MIB may be obtained on its website at [www.mib.com](http://www.mib.com).

## INDEXED UNIVERSAL LIFE INSURANCE

As a valued customer of North American Company of Life and Health Insurance, We want to make sure You understand the unique features of the indexed life insurance policy for which You have applied. The policy may earn interest based on the movement of the selected Index(es), but will never credit less than zero percent. While earnings are based on the Index(es) You select, premiums are not invested in stocks, bonds or equity investments, and the Index growth does not include dividends.

**The policy for which you have applied is not registered as a security. Therefore, purchasing this indexed life insurance policy is not the same as making an investment directly in the stock market. This summary is not intended to be a full description of the policy. Please refer to your policy when issued for complete details and definitions.**

### ALLOCATION CHOICES

You may direct Your money among the Fixed Account and/or any combination of the following Indices:

1. The Standard & Poor's 500<sup>®</sup> Composite Stock Price Index (S&P 500<sup>®</sup>)
2. The Dow Jones Industrial Average<sup>SM</sup> (DJIA<sup>SM</sup>) Composite Stock Price Index
3. The Nasdaq-100<sup>®</sup> Stock Price Index
4. The S&P MidCap 400<sup>®</sup>
5. The Russell 2000<sup>®</sup>
6. The Dow Jones EURO STOXX 50<sup>®</sup>
7. Uncapped S&P 500<sup>®</sup>
8. Multi-Index Group

### INDEX CREDITING METHODS

The earnings credited to the selected Index(es) are calculated through the use of either the Daily Averaging method, the Annual Point-to-Point method, the Monthly Point-to-Point method. No Index Credits will be applied until the end of the Index Period and money withdrawn or surrendered prior to this time will not receive Index Credits.

- When the **Daily Averaging** method is chosen, the Index change is determined by calculating the difference between the Index Value on the first day of the Index Period and the average Index Value throughout the Index Period. The Index change is subject to the Index Participation Rate, Index Cap Rate, and Index Floor Rate. The Index Credit, if any, is credited and locked in at the end of the Index Period. The Daily Averaging crediting method is available for the S&P 500<sup>®</sup>, S&P MidCap 400<sup>®</sup>, Russell 2000<sup>®</sup> and DJIA<sup>SM</sup>.
- When the **Annual Point-to-Point** method is chosen, the Index credit is determined by calculating the change between the Index Value on the first day of the Index Period and last day of the Index Period. The Index growth is subject to the Index Cap Rate and any earnings are credited and locked in at the end of the 12 month Index Period. The rate credited will never be less than zero percent. The Annual Point-to-Point crediting method is available for the S&P 500<sup>®</sup>, S&P MidCap 400<sup>®</sup>, Russell 2000<sup>®</sup>, DJIASM, Dow Jones EURO STOXX 50<sup>®</sup>, and NASDAQ-100<sup>®</sup>.
- When the **Monthly Point-to-Point** method is chosen, the Index credit is determined by calculating the 12 Monthly Index Returns which are determined by the change in the Index during the month. The Monthly Index Return can not be greater than the Monthly Cap Rate and it can be a negative number. At the end of the 12 month Index Period, the 12 preceding Monthly Index Returns are added together to determine the Index Credit which is credited and locked in. The rate credited at the end of the Index Segment will never be less than zero percent, and will never be greater than 12 times the Monthly Cap Rate. The Monthly Point to Point crediting method is available for the S&P 500<sup>®</sup>.

Copy 1 - Administrative Office, Copy 2 - Applicant, Copy 3 – Agent

- When the **Multi-Index Annual Point-to-Point** method is chosen, the Index credit is determined by calculating a Multi-Index change between the first day of the Index Period and the last day of the Index Period. The Multi-Index change uses the following three indices – S&P 500<sup>®</sup>, Dow Jones EURO STOXX 50<sup>®</sup> and Russell 2000<sup>®</sup>. The annual point-to-point Index growth from each of the three individual indices derives the Multi-Index change. 50% of the best performing Index growth plus 30% of the second best performing Index growth plus 20% of the third best performing Index growth equals the Multi-Index change. The Multi-Index change is subject to the Index Cap Rate and any earning are credited and locked in at the end of the 12 month Index Period. The rate credited will never be less than zero percent.

**IMPORTANT POLICY TERMS YOU SHOULD KNOW**

- **Index Participation Rate** – the portion of the Index change that is used in the calculation of the Index Credit. This rate can be changed by North American Company for Life and Health Insurance but can never be less than the minimum shown in the policy.
- **Index Cap Rate** – the maximum interest rate that can be used in the calculation of the Index Credit. This rate can be changed by North American Company for Life and Health Insurance but can never be less than the minimum shown in the policy.
- **Index Floor Rate** – the minimum interest rate that can be used in the calculation of the Index Credit. This rate can be changed by North American Company for Life and Health Insurance but can never be less than zero.

**PROPOSED OWNER/APPLICANT:**

I acknowledge that I have read this disclosure material, received a copy and understand the following:

- **Any values shown, other than guaranteed minimum values, are not guarantees, promises or warranties.**
- **I am applying for an indexed life insurance policy, and even though the values of the policy may be affected by an external Index, the policy does not directly participate in any stock, bond or equity investments.**
- **The values of the external Indices do not reflect the payment of dividends.**
- **The policy applied for is not a registered security.**
- **Current illustrated values are based on past Index performance and are not intended to predict future performance.**
- **I understand that North American Company for Life and Health Insurance has the right to change Index Cap Rates, Index Floor Rates, Index Participation Rates and interest rates.**

## WISCONSIN NOTICE AND CONSENT FOR HUMAN IMMUNODEFICIENCY TESTING

### REQUEST FOR CONSENT FOR TESTING

To evaluate your insurability, North American Company for Life and Health Insurance (Insurer) requests that you be tested to determine the presence of human immunodeficiency virus (HIV) antibody or antigens. By signing and dating this form, you agree that this test may be done and that underwriting decisions may be based on the test results. A licensed laboratory will perform one or more tests approved by the Wisconsin Commissioner of Insurance.

### PRETESTING CONSIDERATION

Many public health organizations recommend that, if you have any reason to believe you have been exposed to HIV, you become informed about the implications of the test before being tested. You may obtain information about HIV and counseling from a private health care provider, a public health clinic, or one of the AIDS service organizations on the attached list. You may also wish to obtain an HIV test from an anonymous counseling and testing site before signing this consent form. The Insurer is prohibited from asking you whether you have been tested at an anonymous counseling and testing site and from obtaining the results of such a test. **For further information on these options, contact the Wisconsin HIV/STD/Hepatitis C Information and Referral Center (IRC) hotline at 1-800--334-2437.**

### MEANING OF POSITIVE TEST RESULTS

This is not a test for AIDS. It is a test for HIV and shows whether you have been infected by the virus. A positive test result may have an effect on your ability to obtain insurance. A positive test result does not mean that you have AIDS, but it does mean that you are at a seriously increased risk of developing problems with your immune system. HIV tests are very sensitive and specific. Errors are rare but they can occur. If your test result is positive, you may wish to consider further independent testing from your physician, a public health clinic, or an anonymous counseling and testing site. **HIV testing may be arranged by calling the IRC hotline at 1-800-334-2437.**

### NOTIFICATION OF TEST RESULTS

If your HIV test result is negative, no routine notification will be sent to you. If your HIV test result is other than normal, the Insurer will contact you and ask for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the test results.

### DISCLOSURE OF TEST RESULTS

All test results will be treated confidentially. The laboratory that does the testing will report the result to the Insurer. If necessary to process your application, the Insurer may disclose your test result to another entity such as a contractor, affiliate, or reinsurer. If your HIV test is positive, the Insurer may report it to the Medical Information Bureau (MIB, Inc.), as described in the notice given to you at the time of application. If your HIV test is negative, no report about it will be made to the MIB, Inc. The organizations described in this paragraph may maintain the test results in a file or data bank. These organizations may not disclose the fact that the test has been done or the results of the test except as permitted by law or authorized in writing by you.

### CONSENT

I have read and I understand this notice and consent for HIV testing. I voluntarily consent to this testing and the disclosure of the test result as described above. A photocopy or facsimile of this form will be as valid as the original.

## THE IMPLICATIONS OF TESTING POSITIVE FOR HIV

**A positive test result is not a diagnosis of AIDS.** A positive test means that you have HIV infection. Like people with other chronic medical problems, people with HIV infection have a spectrum of conditions, ranging from no symptoms to very serious ones. Over time, most people with HIV infection progress along the spectrum toward more serious symptoms. **However, both improved medical management and many options for self-care now provide new hope for people with HIV infection.** Anti-viral drug therapy and preventive antibiotics can delay progression of HIV infection and postpone or modify complications.

**It is extremely important to find a knowledgeable, experienced, and supportive health care provider to work with you in evaluating and managing your HIV infection.** If you do not know whom to see, consult your local AIDS service organization for a recommendation or call the Wisconsin HIV/STD/Hepatitis C Information and Referral Center (IRC) hotline to obtain a referral. **In Wisconsin, call 1-800-334-2437 or e-mail [irc-wisconsin@arcw.org](mailto:irc-wisconsin@arcw.org).**

**Your health care provider can perform periodic examinations and arrange for appropriate tests to help you decide what treatments and interventions you may want to use.** Many people with HIV infection are being successfully treated with anti-viral drugs such as zidovudine (AZT) to slow the progress of the infection. Depending on the results of certain tests of your immune system, you may also benefit from therapies to prevent some infections. People with HIV infection also need regular tuberculosis (TB) screening and certain vaccinations. You and your health care provider can work out a schedule of follow-up visits appropriate for you.

**You may also want to utilize some self-care options and nonmedical therapies.** A nutritious diet, regular exercise, restful sleep, stress reduction, and spiritual peace (which are important for everyone) are even more helpful for many people with HIV infection. Some people with HIV infection find strength in meditation, massage, and specialized diets. If you are HIV positive, it is healthier to avoid alcohol and recreational drugs because they may damage your immune system.

**A positive test result may mean that you have to make changes in certain areas of your life.** It is much easier to make these adjustments with the help and support of others. There are support groups and counselors at most AIDS service organizations. You might seek support from your partner or trusted friends, family, clergy, or health professionals.

**Counseling can help you put things in perspective.** Some people who test positive find that counseling assists them in handling social and intimate relationships, dealing with fear, and promoting self-esteem. Professional counseling can help lessen the effects of the numerous issues that you may face.

**You have a responsibility to yourself and to others to avoid transmitting the virus.** Counselors can help you sort out your feelings about intimate relationships and help you learn about HIV risk-reduction methods. Not only should you avoid infecting others, but you should also avoid getting reinfected. Getting reinfected may help speed up the process of the HIV infection you already have.

**Being HIV positive means taking the right steps to maintain your health.** Dealing with the fear is healthier than avoiding the knowledge of HIV infection.

**For more information on HIV antibody testing and HIV related services, contact the IRC at 1-800-334-2437 or e-mail [irc-wisconsin@arcw.org](mailto:irc-wisconsin@arcw.org).**

**FINANCIAL INSTITUTION DISCLOSURE** - Insurance products and annuities are not a deposit or other obligation of, or guaranteed by a bank, any affiliate of a bank, or savings association and are not insured by the Federal Deposit Insurance Corporation (FDIC) or any other agency of the United States, a bank, any affiliate of a bank, or savings association, and involve investment risk, including possible loss of value. The approval or disapproval of any extension of credit by the bank or an affiliate is not based on whether or not this insurance is purchased through the bank or through any particular source.

**AUTHORIZATION:** To determine eligibility for insurance, the undersigned applicant(s) (I) authorize any licensed physician, medical practitioner, health care professional, hospital, clinic, or other medically related facility, laboratory, pharmacy, pharmacy benefit manager, insurance or reinsuring company, viatical company, viatical broker or provider, the Medical Information Bureau, Inc., consumer reporting agency, insurance support organization, independent administrator, or other organization, institution, or person, or employer having information available as to diagnosis, prescription history, medications prescribed, treatment and prognosis with respect to information regarding alcoholism, drug abuse, and psychiatric care or any physical or mental condition and/or treatment of me or my minor children and any other nonmedical information of me or my minor children to give to North American Company for Life and Health Insurance (the Company) or its legal representative, any and all such information. I also authorize the Company to conduct a personal telephone interview in connection with my application; and to release any such data to its reinsurers, the Medical Information Bureau, or other persons or organizations performing business or legal services in connection with my application, or as required by law when given a copy of this authorization. I understand that I may request to be interviewed in connection with the preparation of an investigative consumer report. I understand that I am entitled to receive a copy of the investigative consumer report upon request. This authorization is valid for 30 months (24 months in KS, KY, NM, OK, WV & WY) from the date signed. I may revoke this authorization for information not then obtained by notifying the Company in writing. Such revocation will not be effective until received by the Company. I understand that I or any authorized representative will receive a copy of this authorization upon request.

**FRAUD WARNING - AR, KY, LA, NM, OH and PA Residents:** Any person who knowingly, and with intent to defraud any insurance company or other person, files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

**CO Residents:** It is unlawful to knowingly provide false, incomplete, or misleading facts or information to an insurance company for the purpose of defrauding or attempting to defraud the company. Penalties may include imprisonment, fines, denial of insurance and civil damages. Any insurance company or agent of an insurance company who knowingly provides false, incomplete or misleading facts or information to a contract holder or claimant for the purpose of defrauding or attempting to defraud the contract holder or claimant with regard to a settlement or award payable from insurance proceeds shall be reported to the Colorado Division of Insurance within the Department of Regulatory Agencies.

**DC and TN Residents:** Warning: It is a crime to provide false or misleading information to an insurer for the purpose of defrauding the insurer or any other person. Penalties include imprisonment and/or fines. In addition, an insurer may deny insurance benefits, if false information materially related to a claim was provided by the applicant.

**MD Residents:** Any person who knowingly and willfully presents a false or fraudulent claim for payment of a loss or benefit or who knowingly and willfully presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

**VA and WA Residents:** It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines and denial of insurance benefits.

**Accelerated Death Benefit:** If the policy being applied for includes an accelerated death benefit(s), the Proposed Primary Insured understands and acknowledges: (1) Receipt of such benefits may affect eligibility for public assistance programs and benefits may be taxable; (2) Payment of this benefit will reduce the Insured's death benefit; (3) There is no additional premium for this benefit; and (4) The agent provided the Proposed Primary Insured the Accelerated Benefit Summary and Disclosure Statement(s) prior to or concurrent with this application.

# LIFE INSURANCE BUYER'S GUIDE

This guide can help you when you shop for life insurance. It discusses how to:

- Find a Policy That Meets Your Needs and Fits Your Budget
- Decide How Much Insurance You Need
- Make Informed Decisions When You Buy a Policy

*Prepared by the National Association of Insurance Commissioners*

The National Association of Insurance Commissioners is an association of state insurance regulatory officials. This association helps the various insurance departments to coordinate insurance laws for the benefit of all consumers.

This Guide Does Not Endorse Any Company or Policy.

Reprinted by North American Company for Life and Health Insurance - Executive Office: Chicago, Illinois

## IMPORTANT THINGS TO CONSIDER

1. Review your own insurance needs and circumstances. Choose the kind of policy that has benefits that most closely fit your needs. Ask an agent or company to help you.
2. Be sure that you can handle premium payments. Can you afford the initial premium? If the premium increases later and you still need insurance, can you still afford it?
3. Don't sign an insurance application until you review it carefully to be sure all the answers are complete and accurate.
4. Don't buy life insurance unless you intend to stick with your plan. It may be very costly if you quit during the early years of the policy.
5. Don't drop one policy and buy another without a thorough study of the new policy and the one you have now. Replacing your insurance **may be costly**.
6. Read your policy carefully. Ask your agent or company about anything that is not clear to you.
7. Review your life insurance program with your agent or company every few years to keep up with changes in your income and your needs.

## Buying Life Insurance

When you buy life insurance, you want coverage that fits your needs.

**FIRST**, decide how much you need - and for how long - and what you can afford to pay. Keep in mind the major reason you buy life insurance is to cover the financial effects of unexpected or untimely death. Life insurance also can be one of many ways you plan for the future.

**NEXT**, learn what kinds of policies will meet your needs and pick the one that best suits you.

**THEN**, choose the combination of policy premium and benefits that emphasizes protection in case of early death, or benefits in case of long life, or a combination of both.

It makes good sense to ask a life insurance agent or company to help you. An agent can help you review your insurance needs and give you information about the available policies. If one kind of policy doesn't seem to fit your needs, ask about others.

This guide provides only basic information. You can get more facts from a life insurance agent or company or from your public library.

## What About the Policy You Have Now?

If you are thinking about dropping a life insurance policy, here are some things you should consider:

- If you decide to replace your policy, don't cancel your old policy until you have received the new one. You then have a minimum period to review

your new policy and decide if it is what you wanted.

- It may be costly to replace a policy. Much of what you paid in the early years of the policy you have now, paid for the company's cost of selling and issuing the policy. You may pay this type of cost again if you buy a new policy.
- Ask your tax advisor if dropping your policy could affect you income taxes.
- If you are older or your health has changed, premiums for the new policy will often be higher. You will not be able to buy a new policy if you are not insurable.
- You may have valuable rights and benefits in the policy you now have that are not in the new one.
- If the policy you have now no longer meets your needs, you may not have to replace it. You might be able to change your policy or add to it to get the coverage or benefits you now want.
- At least in the beginning, a policy may pay no benefits for some causes of death covered in the policy you have now.

In all cases, if you are thinking of buying a new policy, check with the agent or company that issued you the one you have now. When you bought your old policy, you may have seen an illustration of the benefits of your policy. Before replacing your policy, ask your agent or company for an updated illustration. Check to see how the policy has performed and what you might expect in the future, based on the amounts the company is paying now.

## How Much Do You Need?

Here are some questions to ask yourself:

- How much of the family income do I provide? If I were to die early, how would my survivors, especially my children, get by? Does anyone else depend on me financially, such as a parent, grandparent, brother or sister?
- Do I have children for whom I'd like to set aside money to finish their education in the event of my death?
- How will my family pay final expenses and repay debts after my death?
- Do I have family members or organizations to whom I would like to leave money?
- Will there be estate taxes to pay after my death?
- How will inflation affect future needs?

As you figure out what you have to meet these needs, count the life insurance you have now, including any group insurance where you work or veteran's insurance. Don't forget Social Security and pension plan survivor's benefits. Add other assets you have: savings, investments, real estate and personal property. Which assets would your family sell or cash in to pay expenses after your death?

## What is the Right Kind of Life Insurance?

All policies are not the same. Some give coverage for your lifetime and others cover you for specific number of years. Some build up cash values and others do not. Some policies combine different kinds of insurance, and others let you change from one kind of insurance to another. Some policies may offer other benefits while you are still living. Your choice should be based on your needs and what you can afford.

There are two basic types of life insurance: **term insurance** and **cash value insurance**. Term insurance generally has lower premiums in the early years, but does not build up cash values that you can use in the future. You may combine cash value life insurance with term insurance for the period of your greatest need for life insurance to replace income.

**Term Insurance** covers you for a term of one or more years. It pays a death benefit only if you die in that term. Term insurance generally offers the largest insurance protection for your premium dollar. It generally does not build up cash value.

You can renew most term insurance policies for one or more terms even if your health has changed. Each time you renew the policy for a new term, premiums may be higher. Ask what the premiums will be if you continue to renew the policy. Also ask if you will lose the right to renew the policy at some age. For a higher premium, some companies will give you the right to keep the policy in force for a guaranteed period at the same price each year. At the end of that time you may need to pass a physical examination to continue coverage, and premiums may increase.

You may be able to trade many term insurance policies for a cash value policy during a conversion period - even if you are not in good health. Premiums for the new policy will be higher than you have been paying for the term insurance.

**Cash Value Life Insurance** is a type of insurance where the premiums charged are higher at the beginning than they would be for the same amount of term insurance. The part of the premium that is not used for the cost of insurance is invested by the company and builds up a cash value that may be used in a variety of ways. You may borrow against a policy's cash value by taking a policy loan. If you don't pay back the loan and the interest on it, the amount you owe will be subtracted from the benefits when you die, or from the cash value if you stop paying premiums and take out the remaining cash value. You can also use your cash value to keep insurance protection for a limited time or to buy a reduced amount without having to pay more premiums. You also can use the cash value to increase your income in retirement or to help pay for needs such as a child's tuition without canceling the policy. However, to build up this cash value, you must pay higher premiums in the earlier years of the policy. Cash value life insurance may be one of several types: whole life, universal life and variable life are all types of cash value insurance.

**Whole Life Insurance** covers you for as long as you live if your premiums are paid. You generally pay the same amount in premiums for as long as you live. When you first take out the policy, premiums can be several times higher than you would pay initially for the same amount of term insurance. But they are smaller than the premiums you would eventually pay if you were to keep renewing a term policy until your later years.

Some whole life policies let you pay premiums for a shorter period such as 20 years, or until age 65. Premiums for these policies are higher since the premium payments are made during a shorter period.

**Universal Life Insurance** is a kind of flexible policy that lets you vary your premium payments. You can also adjust the face amount of your coverage. Increases may require proof that you qualify for the new death benefit. The premiums you pay (less expense charges) go into a policy account that earns interest. Charges are deducted from the account. If your yearly premium payment plus the interest your account earns is less than the charges, your account value will become lower. If it keeps dropping, eventually your coverage will end. To prevent that, you may need to start making premium payments, or increase your premium payments, or lower your death benefits. Even if there is enough in your account to pay the premiums, continuing to pay premiums yourself means that you build up more cash value.

**Variable Life Insurance** is a kind of insurance where the death benefits and cash values depend on the investment performance of one or more separate accounts, which may be invested in mutual funds or other investments allowed under the policy. Be sure to get the prospectus from the company when buying this kind of policy and STUDY IT CAREFULLY. You will have higher death benefits and cash value if the underlying investments do well. Your benefits and cash value will be lower or may disappear if the investments you chose didn't do as well as you expected. You may pay an extra premium for a guaranteed death benefit.

## Life Insurance Illustrations

You may be thinking of buying a policy where cash values, death benefits, dividends or premiums may vary based on events or situations the company does not guarantee (such as interest rates). If so, you may get an illustration from the agent or company that helps explain how the policy works. The illustration will show how the benefits that are not guaranteed will change as interest rates and other factors change. The illustration will show you what the company guarantees. It will also show you what *could* happen in the future. Remember that nobody knows what will happen in the future. You should be ready to adjust your financial plans if the cash value doesn't increase as quickly as shown in the illustration. You will be asked to sign a statement that says you understand that some of the numbers in the illustration are not guaranteed.

## Finding a Good Value in Life Insurance

After you have decided which kind of life insurance is best for you, compare similar policies from different companies to find which one is likely to give you the best value for your money. A simple comparison of the premiums is not enough. There are other things to consider. For example:

- Do premiums or benefits vary from year to year?
- How much do the benefits build up in the policy?
- What part of the premiums or benefits is not guaranteed?
- What is the effect of interest on money paid and received at different times on the policy?

Once you have decided which type of policy to buy, you can use a cost comparison index to help you compare similar policies. Life insurance agents or companies can give you information about several different kinds of indexes that each work a little differently. One type helps you compare the costs between two policies if you give up the policy and take out the cash value. Another helps you compare your costs if you don't give up your policy before its coverage ends. Some help you decide what kind of questions to ask the agent about the numbers used in an illustration. Each index is useful in some ways, but they all have shortcomings. Ask your agent which will be most helpful to you. Regardless of which index you use, compare index numbers only for similar policies - those that offer basically the same benefits, with premiums payable for the same length of time.

Remember that no one company offers the lowest cost at **all** ages for **all** kinds and amounts of insurance. You should also consider other factors:

- How quickly does the cash value grow? Some policies have low cash values in the early years that build quickly later on. Other policies have a more level cash value build-up. A year-by-year display of values and benefits can be very helpful. (The agent or company will give you a policy summary or an illustration that will show benefits and premiums for selected years.)
- Are there special policy features that particularly suit your needs?
- How are nonguaranteed values calculated? For example, interest rates are important in determining policy returns. In some companies increases reflect the average interest earnings on all of that company's policies regardless of when issued. In others, the return for policies issued in a recent year, or a group of years, reflects the interest earnings on that group of policies; in this case, amounts paid are likely to change more rapidly when interest rates change.

**IMPORTANT NOTICE:  
 REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

**This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.**

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A *replacement* occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A *financed purchase* occurs when the purchase of a new policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  YES  NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?  YES  NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT OR POLICY #	INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because \_\_\_\_\_.

I certify that the responses herein are, to the best of my knowledge, accurate:

I certify that only sales materials approved by North American Company for Life and Health Insurance were used in conjunction with this transaction, and copies of all sales materials including this Important Notice were left with the applicant. If applicable, electronically presented sales materials shall be provided in printed form to the applicant no later than at the time of policy or contract delivery.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:**

- Are they affordable?
- Could they change?
- You're older--are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

**POLICY VALUES:**

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

**INSURABILITY:**

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

**IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:**

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:**

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:**

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

**RIGHT TO EXAMINE POLICY – It is important to us that you are satisfied with your policy and that it meets your insurance goals. Read it carefully. If you are not satisfied with it, you may return it to our Home Office or to your agent within 30 days after you received it. We will then void it and refund all premiums paid .**

### II. TERMS AND CONDITIONS

#### 1. AMOUNT OF COVERAGE APPLIED FOR: \$1,000,000 MAXIMUM FOR ALL APPLICATIONS OR AGREEMENTS

If one full monthly premium for the insurance applied for in the application for life insurance has been received as consideration by the Company from the Proposed Owner as advance payment for the life insurance and a Proposed Insured(s) dies while this Agreement is in effect, upon receipt of due proof of death, the Company will pay to the designated beneficiary the LESSER of

- (a) the amount of all death benefits applied for in the Application; or
- (b) \$1,000,000.

This total benefit applies to all insurance applied for under this and any other applications to the Company including any other temporary life insurance agreements.

#### 2. DATE TEMPORARY COVERAGE BEGINS

Any temporary insurance under this Agreement will begin on the date the application is signed only if the Application is completed and signed by the Proposed Insured(s) and the Proposed Owner bearing the same date as this Temporary Life Insurance Agreement; one full monthly premium is collected; and all of the questions in the above Section of this Temporary Life Insurance Agreement are truthfully and completely answered "NO".

#### 3. DATE TEMPORARY COVERAGE TERMINATES

The Temporary Life Insurance under this Agreement will terminate automatically on the earliest of:

- (a) 90 days from the date the Application was signed;
- (b) the date that insurance takes effect under the insurance contract(s) as applied for in the Application;
- (c) the date an insurance contract(s) other than as applied for in the Application, is offered to the Proposed Owner; or
- (d) the date the Company mails notice of termination of coverage and refunds the advance premium payment to the Proposed Owner at the address shown in the Application. The Company may cancel this coverage at any time.

#### 4. SPECIAL LIMITATIONS

- (a) Fraud or material misrepresentation in the Application or in this Agreement shall invalidate this Agreement and the Company's only liability is to refund any advance premium payment made.
- (b) There is no insurance under this Agreement if the check, initial EFT draft or credit card authorization is not honored when presented.
- (c) If the Proposed Insured(s) dies by suicide, the Company's liability under this Agreement is limited to a refund of any advance premium payment made.
- (d) No agent or other person is authorized to accept money on a Proposed Insured under 15 days of age or over 70 years of age (age nearest birthday) from the date of this Agreement, nor will any insurance take effect for such person.
- (e) No agent is authorized to modify any of the provisions of this agreement.
- (f) The total of the amount payable under this and any other Temporary Life Insurance Agreement or application with the Company will not exceed \$1,000,000 for each life proposed for insurance.

#### 5. General

Premium(s) will be returned if a policy is not delivered and no benefit is paid under this Agreement. If a policy is delivered, premium(s) will be applied to the first policy premium. Premiums are billed from the policy date. If the policy date is prior to the delivery date premiums will be based on the policy date.

**I, the PROPOSED OWNER/PRIMARY INSURED/ADDITIONAL INSURED(S), declare that I have fully read and understand all the questions and the answers given in this Agreement and the Application and, that the answers I gave are true and complete. I, the Proposed Owner, agree that they are to be relied on for this coverage and declare that I have received a copy of this Agreement and that I have read and understand this Agreement. I agree to all the provisions, terms and limitations of this Agreement and acknowledge that I do not expect any insurance to become effective based on the application or under this Agreement other than as stated in the application and in this Agreement. I agree to be bound by all the answers, statements, and representations made in the Application and this Agreement.**
