Such conditional insurance will take effect as of the Effective Date, so long as all of the following requirements are met:

If one or more of this Receipt's conditions have not been met exactly, or if a proposed Insured dies by suicide, the Company will not be liable except to return any payment made with the application.

If the Company does not approve and accept the application for insurance within 60 days of the date you signed the application, the application will be deemed to be rejected by the Company and there will be no conditional insurance coverage. **Notice and Consent for  
HIV-Related Testing  
NORTH DAKOTA**

**Notice and Consent for HIV Related Testing and Disclosure  
(Which May Include AIDS Virus (HIV) Antibody/Antigen Testing)**

To determine your insurability, the insurer designated above (“the Insurer”) has requested that you provide a sample of a bodily fluid for testing and analysis. All tests will be performed by a licensed laboratory.

Tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. Other tests which may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes, and immune disorders.

**Confidentiality**

All test results will be treated confidentially. The results of tests will be reported by the laboratory to the Insurer identified on this form. When necessary for business reasons in connection with insurance you currently have or have applied for with the Insurer, the Insurer may disclose test results to others such as its affiliates, reinsurers, employees, or contractors to whom disclosure is reasonably necessary in the ordinary course of business to carry out the purpose for which that disclosure is authorized. If the Insurer is a member of the Medical Information Bureau (MIB, Inc.), and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc., a generic code which signifies only a nonspecific test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc., in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There may be other disclosures of test results as required or permitted by law or authorized by you.

**Notification of Results**

If your HIV test results are normal, no routine notification will be sent to you. If you are a resident of North Dakota and your HIV test is other than normal, the Insurer will disclose test results to the North Dakota Department of Health as required by law. If the HIV test results are other than normal, the North Dakota Department of Health will contact you.

**Significance of Positive Test Results and Effect on Application for Insurance**

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant test abnormalities will adversely effect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

**Consent**

**I have read and I understand this *Notice and Consent for HIV-Related Testing and Disclosure (Which May Include AIDS Virus (HIV) Antibody/Antigen Testing)*. I voluntarily consent to the testing of my blood or other bodily fluids for the AIDS virus (HIV) and the disclosure of the test results as described above.**

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

APPLICATION AMENDMENT

Life Insured: @@@@...

The Application for Policy/Certificate ("Policy") No. @@@@...is amended as follows:

REQUEST TO BACKDATE POLICY TO "SAVE AGE"

I request that Transamerica Life Insurance Company ("Transamerica") date the life insurance Policy for which I am applying in the application so as to "save age." I understand that dating to "save age" means that each of the regular premium payments I make on the Policy will be lower in dollar amounts than if I did not date to "save age." I also recognize that dating to save age means part of my first premium payment will be for a period of time during which insurance coverage will not be in effect. The precise length of that period will depend on a number of factors, such as:

- (a) how far back in weeks or months the Policy needs to be dated in order to qualify for the younger insurance age,
(b) how long it takes to process my application, which includes how quickly I respond to any requests for information from Transamerica, and
(c) how quickly I am able to obtain delivery of the Policy and make the first premium payment, which in most cases is when coverage commences.

I further understand that I may have the option of making an initial estimated premium payment with my application and that doing so may eliminate or reduce the period of time for which I would be paying premiums without coverage.

No policy in North Dakota will be issued with a back date of more than six months from the date of application.

I/We declare that I/we have, in an identical manner, completed and signed the copy of this amendment that is attached to and made part of the Policy issued by the Company.

It is agreed that this amendment shall be part of the application for the Policy.
