NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

*Use bracketed language only when the application asks health questions.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or)* deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including the unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

*Use bracketed language only when the application asks health questions.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could (contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or)* deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including the unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are canceling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.

**Notice and Consent for
HIV-Related Testing
PENNSYLVANIA**

To evaluate your insurability, the Insurer designated above (“the Insurer”) has requested that you provide a sample of your blood and/or bodily fluid(s) for testing and analysis.

Tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. A series of tests will be performed by a licensed laboratory through a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable.

AIDS is a condition caused by the human immunodeficiency virus (HIV). In some individuals the virus reduces the body’s normal defense mechanisms against certain diseases or infections. Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Due to the serious nature of HIV-related test many public health organizations have recommended that before taking an AIDS-related test, a person seek counseling to become informed concerning the implications of such a test. You may wish to consider obtaining such counseling at your expense prior to being tested. HIV-related testing and counseling are available from the Pennsylvania Department of Health, Division of HIV/AIDS and local health departments. For additional information on counseling and testing services:

Pennsylvania Department of Health AIDS Fact Line 1-800-662-6080.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others such as its affiliates, reinsurers, employees or contractors. If the Insurer is a member of the Medical Information Bureau (MIB, Inc.) and if the test results for HIV antibodies/antigens are other than normal, the Insurer will report to the MIB, Inc. a generic code which signifies only a non-specific test abnormality. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

Positive HIV antibody or antigen test results will adversely affect your application for insurance.

If your HIV test results are normal, no notification will be sent to you unless you request it in writing to us. Pennsylvania state regulation requires you to designate to whom a positive test result will be disclosed. The designee must be one of the following:

- Physician

Name: _____
 Street: _____
 City, State, Zip Code: _____
 Phone: _____

- The Pennsylvania Department of Health
- A local Health Department from the attached list

Name: _____

Positive test results will be disclosed to you by the person or organization designated above.

The owner may apply for the single sum accelerated benefit when the insured has been diagnosed with a terminal condition. A terminal condition is a condition resulting from injury or illness which, as determined by a physician, has reduced life expectancy to not more than 12 months from the date of the physician's statement. The company requires proof of a terminal condition, including an attending physician's statement and any other proof that we may require. We reserve the right to seek a second medical opinion or have you examined at our expense by a physician we choose.

This benefit cannot be exercised:

1. if the policy is not in force;
2. is only in force as extended term insurance;
3. if the policy is within one year of endowment; or
4. if any eligible rider is within one year of expiration.

The single sum benefit may only be requested once. If there is an irrevocable beneficiary or assignee, they must consent in writing to payment of this benefit.

The policy's specified amount, policy value, surrender charge and indebtedness, if any, will be reduced by the election percentage. We will provide you with revised policy specification pages.

Receipt of accelerated benefits may be taxable and you should consult your personal tax advisor.

The table below is for illustration purposes only and is not a contract. These values will change based on the actual percentage of accelerated benefit elected, the applicable discount rate at the time the Single Sum Benefit is paid, any processing charge if applicable and when the claims process is completed.

APPLICATION AMENDMENT

Life Insured:

The Application for Policy/Certificate ("Policy") No. _____ is amended as follows:

REQUEST TO BACKDATE POLICY TO "SAVE AGE"

I request that Transamerica Life Insurance Company ("Transamerica") date the life insurance Policy for which I am applying in the application so as to "save age." I understand that dating to "save age" means that each of the regular premium payments I make on the Policy will be lower in dollar amounts than if I did not date to "save age." **I also recognize that dating to save age means part of my first premium payment will be for a period of time during which insurance coverage will not be in effect.** The precise length of that period will depend on a number of factors, such as:

- (a) how far back in weeks or months the Policy needs to be dated in order to qualify for the younger insurance age,
- (b) how long it takes to process my application, which includes how quickly I respond to any requests for information from Transamerica, and
- (c) how quickly I am able to obtain delivery of the Policy and make the first premium payment, **which in most cases is when coverage commences.**

I further understand that I may have the option of making an initial estimated premium payment with my application and that doing so may eliminate or reduce the period of time for which I would be paying premiums without coverage.

I/We declare that I/we have, in an identical manner, completed and signed the copy of this amendment that is attached to and made part of the Policy issued by the Company.

It is agreed that this amendment shall be part of the application for the Policy.
