FAIR CREDIT REPORTING ACT/MIB, INC., NOTICE

In compliance with the provisions of the FAIR CREDIT REPORTING ACT, this notice is to inform you that in connection with your application for insurance an investigative consumer report may be prepared. Such a report includes information as to the consumer's character, general reputation, personal characteristics, and mode of living and is obtained through personal interviews with friends, neighbors, and associates of the consumer. Upon written request, a complete and accurate disclosure of the nature and scope of the report, if one is made, will be provided.

Information regarding your insurability will be treated as confidential. United Home Life Insurance Company or its reinsurer(s) may, however, make a brief report thereon to the MIB, Inc., formerly known as Medical Information Bureau, a non-profit membership organization of life insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information about you in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal FAIR CREDIT REPORTING ACT. The address of MIB's information office is 50 Braintree Hill Park, Suite 400, Braintree, Massachusetts 02184-8734, telephone number 866-692-6901 (TTY 866-346-3642 for hearing impaired).

IMPORTANT INFORMATION FOR VERIFYING IDENTIFICATION

This means that when you apply for permanent life insurance or annuity products we will verify your name, residential address, date of birth, and other information that allows us to identify you. **IMPORTANT NOTICE:
 REGARDING REPLACEMENT OF LIFE INSURANCE**

Our agent is recommending to you that you purchase a life insurance policy from us. In connection with this purchase, you have indicated either as a result of his recommendation or at your own initiative, that you may terminate or change your existing policy issued by another insurance company or that you may obtain a loan from that company against your policy to pay premiums on the proposed policy. Any of these actions is a replacement of life insurance. This notice must be given to you. Please read this notice.

Whether it is to your advantage to replace your existing insurance coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and of your existing insurance coverage.

To this end, we are required to give you a Policy Summary including complete information on the proposed policy no later than when that policy is delivered to you. In addition, we are required to notify the insurance company that issued your existing policy. That company may then furnish you with additional information concerning your existing policy. You may want to contact that company or its agent for further information and advice or discuss your purchase with other advisors. The information you receive will be of value to you in reaching a final decision.

If either the proposed policy or the existing insurance you intend to replace is a participating policy, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should also recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misstatement or omission on your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have received your application and notified the other insurance company you will have twenty days from the date the proposed policy is delivered to you to cancel the policy issued on your application and receive back all payments you made to us.

Listing of all existing insurance to be replaced:

Name of Insurer	Insured	Policy Number
_____	_____	_____
_____	_____	_____
_____	_____	_____

CAUTION

If, after studying the information made available to you, you decide to replace the existing life insurance with our life insurance policy, you are urged not to take action to terminate or alter your existing life insurance coverage until after you have been issued the new policy, examined it and have found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage and fail to qualify for the life insurance for which you have applied, you may find yourself unable to purchase other life insurance or able to purchase it only at substantially higher rates.

I have received and read a copy of this Replacement Notice.

**IMPORTANT NOTICE:
 REGARDING REPLACEMENT OF LIFE INSURANCE**

Our agent is recommending to you that you purchase a life insurance policy from us. In connection with this purchase, you have indicated either as a result of his recommendation or at your own initiative, that you may terminate or change your existing policy issued by another insurance company or that you may obtain a loan from that company against your policy to pay premiums on the proposed policy. Any of these actions is a replacement of life insurance. This notice must be given to you. Please read this notice.

Whether it is to your advantage to replace your existing insurance coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and of your existing insurance coverage.

To this end, we are required to give you a Policy Summary including complete information on the proposed policy no later than when that policy is delivered to you. In addition, we are required to notify the insurance company that issued your existing policy. That company may then furnish you with additional information concerning your existing policy. You may want to contact that company or its agent for further information and advice or discuss your purchase with other advisors. The information you receive will be of value to you in reaching a final decision.

If either the proposed policy or the existing insurance you intend to replace is a participating policy, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should also recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misstatement or omission on your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have received your application and notified the other insurance company you will have twenty days from the date the proposed policy is delivered to you to cancel the policy issued on your application and receive back all payments you made to us.
