## Personal History Interviews (PHIs):

Do **NOT** complete a PHI if the application being submitted is for the GIWL (Graded Death Benefit Endowment).

**Option 1 (preferred option) Know Before You Go:** You, the agent, initiate a point-of-sale (POS) interview from your client's home by calling **866-333-6557**. Tell the operator this interview is for UHL and the Modified Death Benefit Whole Life (graded benefit), Deluxe or Premier plan and hand the phone to your client (**Be specific as to which product you want so that only the plan-specific questions will be asked**). During the call, the interviewer will conduct MIB and Prescription Drug searches to better determine your client's suitability for the product you've selected. Upon completion of the interview, and based on the client's answers to the questions and results of the database searches, the interviewer will tell you whether or not the application should be sent to the Home Office.

**Did you complete a Point of Sale Personal History Interview with your client?** ☐ Yes ☐ No

**Option 2:** UHL will order the PHI after you've completed the application with your client and submitted it to the Home Office. A PHI is required for all Modified Death Benefit Whole Life, Deluxe and Premier sales, regardless of face amount. What is the best time to reach this client?

### Important Reminders

1. **An applicant must first be determined uninsurable before we can offer the GIWL (Graded Death Benefit Endowment). Therefore, Section 9, Medical Questions, must be completed in its entirety, regardless of the plan of insurance being applied for.**
2. Print legibly in English.
3. Keep original app until policy is issued.
4. If faxing, keep fax confirmation message that fax was successful.
5. UHL products use the "age nearest birthday" method for determining the age of the proposed insured for insurance purposes.
6. If the replacement question is answered "Yes," ensure that the applicable replacement form(s) has been completed and included (if required).
7. Cash is not permitted for the payment of premium(s).
8. The Fair Credit Reporting Act/MIB Notice and, if applicable, the Notice of Insurance Information Practices must be given to the proposed insured. These documents must also be provided to any applicant who completes the Know Before You Go (point-of-sale) PHI process, regardless of whether an application is written or not.

### NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

### NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.
