ACCIDENT ONLY COVERAGE
REQUIRED OUTLINE OF COVERAGE

(1) Read Your Policy Carefully — This outline provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR POLICY CAREFULLY!

(2) Accident Only Coverage — Policies of this category are designed to provide, to persons insured, payment for certain losses resulting from a covered accident *ONLY*, subject to any limitations contained in the policy. Coverage is *not* provided for any loss due to sickness. Coverage is *not* provided for basic hospital, basic medical-surgical, or major-medical expenses.

(3) Benefits: This policy provides benefits for Accidental Death and Dismemberment.

We agree to pay benefits for the losses described below to all eligible persons shown on your Policy Schedule:

- 1) Who, as a direct result of an injury, and from no other cause, suffer a covered loss within 90 days from the date of an accident. (For accidental death benefits, there is no time limit between accident and death if the death is caused directly by an accident that occurred while the policy was in force for the insured person); and
- 2) Whose injury results from any of the types of accidents described in the Classification of Injuries provision.

This coverage is subject to the exclusions set forth in the policy and to all the other terms of this policy.

The Full Amount for you, your covered spouse/domestic partner/civil union partner, and covered child(ren) is shown in your Policy Schedule. The losses covered by the policy are as follows:

| LOSS | |
|--------------------------------------------------------------------------------|-----------------------------|
| <u>For the Insured and Insured Spouse/Domestic Partner/Civil Union Partner</u> | <u>Benefit</u> |

| Both Hands, Both Feet or Both Eyes: | Full Amount |
