## ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

***The benefit received under any accelerated death benefit rider may be taxable. Receipt of the benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting an accelerated death benefit.***

### DISCLOSURE FOR TERM LIFE INSURANCE POLICIES

If you are applying for term life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium charge for the rider.

#### BENEFIT DESCRIPTION

If the Insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated death benefit up to \$1,000,000 or 80% of the policy's death benefit, whichever is less. A Terminal Illness is a medical condition that, within a reasonable degree of certainty, will result in the Insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by an actuarial discount rate and a \$100 charge. The actuarial discount rate will not be greater than 6%.

#### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay the accelerated death benefit, the policy will continue with a reduced face amount and a reduced premium.

### DISCLOSURE FOR UNIVERSAL LIFE INSURANCE POLICIES

If you are applying for universal life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider, the Accelerated Death Benefit for Chronic Illness Rider, and their effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the riders. There is no premium or cost of insurance for these riders. The Accelerated Death Benefit for Chronic Illness Rider is not available when the Long-Term Care Benefits Rider is issued.

#### BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

If the insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated death benefit. The sum of all requested accelerations under the Terminal Illness Rider and the Chronic Illness Rider may not exceed the lesser of \$1,000,000 or 80%

of the specified amount as of the date of the first requested acceleration.

A Terminal Illness is a medical condition that, within a reasonable degree of medical certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by an actuarial discount rate and a \$100 charge, and the pro-rated amount of any outstanding loans. The actuarial discount rate will not be greater than 6%.

#### BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR CHRONIC ILLNESS RIDER - (THIS RIDER IS NOT AVAILABLE WHEN THE LONG-TERM CARE BENEFITS RIDER IS ISSUED.)

If the insured is diagnosed as being Chronically Ill while the policy is in force, you may elect to receive an accelerated death benefit.

Chronically Ill means that within the last 12 months a physician has certified that for a continuous period of at least 90 days, the insured is: (a) unable to perform (without substantial assistance from another person) at least two activities of daily living; or (b) requires substantial supervision to protect himself or herself from threats and safety due to severe cognitive impairments.

The sum of all requested accelerations may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration. Each requested acceleration may not exceed the per diem allowance permitted by section 101(g)(3) of the Internal Revenue Code multiplied by the number of days in the current calendar year that the insured is expected to be Chronically Ill. The Internal Revenue Service announces the per diem limit for each calendar year.

You may elect to receive the Chronic Illness benefit more than once, and there must be at least 12 months between acceleration requests. In contrast, you may elect to receive the Terminal Illness benefit only once. If you elect to receive the Terminal Illness benefit, the Chronic Illness benefit is no longer available.

We will reduce the Chronic Illness benefit by an actuarial discount rate multiplied by the insured's life expectancy in years, a \$100 charge, and the pro-rated amount of any outstanding loans.

#### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay any accelerated death benefit, the following will occur: (a) we will reduce the specified amount, accumulation value, and any loan by the same proportion as the death benefit; and (b) the monthly deduction and cost of insurance charge will be based on the reduced specified amount.

# Notice of AIDS Virus (HIV) Antibody Testing and Consent for Testing

Underwritten by  
United of Omaha Life Insurance Company  
Mutual of Omaha Insurance Company  
Mutual of Omaha Affiliates

To evaluate your Insurability, the Insurer named above (the Insurer) has requested that you provide a sample of your blood and/or other bodily fluids for testing and analysis to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form, you agree that this test may be done.

## The HIV Antibody Test — Description and Purpose of the Test

A series of tests will be performed by a licensed laboratory through a medically accepted procedure to determine whether you may have been infected with the HIV virus. This test is not a test for acquired immunodeficiency syndrome (AIDS). AIDS is a disease you get when HIV destroys your body's immune system, and can only be diagnosed by medical evaluation.

An initial ELISA blood test will be done. If the initial ELISA test is positive, then a repeat ELISA test will be performed. If the second ELISA test is positive, a Western Blot test will be conducted to confirm the positive ELISA test results.

## Potential Uses and Disclosure of Test Results

Like all medical information, HIV test results are confidential. An insurer, insurance agent, or insurance-support organization is required to maintain the confidentiality of HIV test results. However, certain disclosures of your test results may occur, including those authorized by consent forms that you may have signed as part of your overall application.

Your test results may be provided to affiliates, reinsurers, employees and contractors of the insurer in relation to the underwriting of the insurance application. In addition, a positive result from a blood, urine or oral specimen test may be reported to the Medical Information Bureau, a national insurance data bank, as a nonspecific abnormality determined by the testing of blood or oral specimen.

## Limitations

The HIV antibody test is extremely accurate. However, like any medical test, this one is not 100% accurate. In rare instances the test may be positive in persons who are not infected with the virus.

Additionally, the test may occasionally be negative in persons who are infected with HIV (a false negative), especially when the infection occurred within the previous three to six months.

## Meaning to the Test Results

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

A negative test result means no antibodies to the HIV virus were found. Because of varying incubation periods, absence of HIV antibodies does not mean that you have not been infected with the virus. Absence of HIV antibodies does not mean that you cannot get the virus in the future.

## Notification of Test Result

If your test results are negative, no routine notification will be sent to you. If your test results are other than negative, you are entitled to that information. Because a trained person should deliver that information so that you can understand clearly what the test result means, you are asked to list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

## ACCELERATED DEATH BENEFIT RIDER DISCLOSURE

***The benefit received under any accelerated death benefit rider may be taxable. Receipt of the benefit may adversely affect your eligibility for Medicaid or other government benefits or entitlements. You should consult your personal tax advisor or the Social Security Administration before requesting an accelerated death benefit.***

### DISCLOSURE FOR TERM LIFE INSURANCE POLICIES

If you are applying for term life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider and its effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the rider. There is no premium charge for the rider.

#### BENEFIT DESCRIPTION

If the Insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated death benefit up to \$1,000,000 or 80% of the policy's death benefit, whichever is less. A Terminal Illness is a medical condition that, within a reasonable degree of certainty, will result in the Insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by an actuarial discount rate and a \$100 charge. The actuarial discount rate will not be greater than 6%.

#### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay the accelerated death benefit, the policy will continue with a reduced face amount and a reduced premium.

### DISCLOSURE FOR UNIVERSAL LIFE INSURANCE POLICIES

If you are applying for universal life insurance benefits, this disclosure is a brief description of the Accelerated Death Benefit for Terminal Illness Rider, the Accelerated Death Benefit for Chronic Illness Rider, and their effects on your policy. This disclosure is not an insurance contract, but only a summary of the coverage provided by the riders. There is no premium or cost of insurance for these riders. The Accelerated Death Benefit for Chronic Illness Rider is not available when the Long-Term Care Benefits Rider is issued.

#### BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR TERMINAL ILLNESS RIDER

If the insured is diagnosed as having a Terminal Illness while the policy is in force, you may make a one-time election to receive an accelerated death benefit. The sum of all requested accelerations under the Terminal Illness Rider and the Chronic Illness Rider may not exceed the lesser of \$1,000,000 or 80%

of the specified amount as of the date of the first requested acceleration.

A Terminal Illness is a medical condition that, within a reasonable degree of medical certainty, will result in the insured's death within 12 months or less from the date a physician signs the statement of proof of terminal illness.

We will reduce the Terminal Illness benefit by an actuarial discount rate and a \$100 charge, and the pro-rated amount of any outstanding loans. The actuarial discount rate will not be greater than 6%.

#### BENEFIT DESCRIPTION - ACCELERATED DEATH BENEFIT FOR CHRONIC ILLNESS RIDER -(THIS RIDER IS NOT AVAILABLE WHEN THE LONG-TERM CARE BENEFITS RIDER IS ISSUED.)

If the insured is diagnosed as being Chronically Ill while the policy is in force, you may elect to receive an accelerated death benefit.

Chronically Ill means that within the last 12 months a physician has certified that for a continuous period of at least 90 days, the insured is: (a) unable to perform (without substantial assistance from another person) at least two activities of daily living; or (b) requires substantial supervision to protect himself or herself from threats and safety due to severe cognitive impairments.

The sum of all requested accelerations may not exceed the lesser of \$1,000,000 or 80% of the specified amount as of the date of the first requested acceleration. Each requested acceleration may not exceed the per diem allowance permitted by section 101(g)(3) of the Internal Revenue Code multiplied by the number of days in the current calendar year that the insured is expected to be Chronically Ill. The Internal Revenue Service announces the per diem limit for each calendar year.

You may elect to receive the Chronic Illness benefit more than once, and there must be at least 12 months between acceleration requests. In contrast, you may elect to receive the Terminal Illness benefit only once. If you elect to receive the Terminal Illness benefit, the Chronic Illness benefit is no longer available.

We will reduce the Chronic Illness benefit by an actuarial discount rate multiplied by the insured's life expectancy in years, a \$100 charge, and the pro-rated amount of any outstanding loans.

#### EFFECT OF THE ACCELERATED DEATH BENEFIT ON THE POLICY

When we pay any accelerated death benefit, the following will occur: (a) we will reduce the specified amount, accumulation value, and any loan by the same proportion as the death benefit; and (b) the monthly deduction and cost of insurance charge will be based on the reduced specified amount.

## A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about checkwriting histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, D.C. 20552.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.
- In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for additional information.
- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore) for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-567-8688.
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher

of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.

- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).

**States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights contact:**

## Replacement of Life Insurance or Annuities

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

### PREMIUMS:

---

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

### POLICY VALUES:

---

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

### INSURABILITY:

---

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

### IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

---

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

### IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

---

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

### OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

---

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

**Important Notice:  
Replacement of Life Insurance or Annuities**

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ..... ☐ YES ☐ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ..... ☐ YES ☐ NO
3. If purchasing an annuity, have you had another annuity exchange or replacement within the past 60 months? ☐ YES ☐ NO

If you answered "yes" to any of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

| Insurer Name | Contract or Policy # | Insured or Annuitant | Replaced (R) or Financing (F) |
|--------------|----------------------|----------------------|-------------------------------|
|              |                      |                      |                               |

|              |                      |                      |                               |

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.
