By signing I acknowledge that I have read and agreed to all of the following consents that pertain to my preferred premium payment method.

Consents

If a conditional receipt was issued along with this authorization, initial premium will be withdrawn/cashed upon receipt of the application by the Company. Unless a conditional receipt was issued along with this authorization, I/we agree this authorization shall not become effective for payment of the initial premium unless and until after a contract is issued and all other conditions of coverage set forth in the application have been met.

As a convenience to me, I request and authorize the Company named above to make withdrawals, by draft or electronic transfer, from my account with the financial institution named for: (1) premiums becoming due (including premiums which have increased from the initial payment amount under the terms of the policy(ies) or due to changes made to the policy(ies)); (2) other amounts due under the policy(ies) listed above (including any amendments, endorsements, riders, or amounts past due); (3) loan payments if authorized above or later agreed to by me; and/or (4) such other payments as I may authorize the Company to make. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made to the policy(ies). I understand that if a withdrawal is not honored for payment by the financial institution, with or without cause and whether intentionally or inadvertently, and the premiums are not otherwise paid within the grace period allowed by a policy, the policy may terminate.

As a convenience to me, I hereby request the financial institution named above (and its successors and assigns) to accept and honor the draft or transfer withdrawals made by the Company from my account. I agree the financial institution shall be fully protected in honoring such draft or transfer.

This authorization shall take effect when recorded and processed by the Company and financial institution and will remain in effect until I notify the Company or the financial institution in writing to terminate and the Company or financial institution has a reasonable time to act on the termination request. I hereby terminate any prior authorization of the Company to initiate charges to this account for the above policy(ies) effective the date on which the initial charge is made under this authorization. I also understand and agree that if a withdrawal is not honored by the financial institution for any reason, the Company may cease attempting to make withdrawals through the use of this authorization.

Bank Account Will be Subject to Identity Verification

To help ensure the security of your funds, if bank account information is provided, the Company may obtain a consumer report from a Consumer Reporting Agency ("CRA") to help verify the validity and accuracy of the account information provided. If I have provided the company with bank account information, I authorize the Company to obtain a consumer report from the CRA as described above, and acknowledge that I: (i) understand that in order for the CRA to verify my account information, some of my personal information will be shared with the CRA; and (ii) consent to such sharing, retention, and use.

What is the purpose of this Consent and Disclosure?
You are applying for an insurance policy ("Policy") from either Transamerica Life Insurance Company or Transamerica Financial Life Insurance Company (either individually or collectively, "Transamerica") and have expressed your desire to conduct business electronically and for electronic delivery and access, with regard to the Policy, as well as documents related to the Policy. To conduct business electronically, receive documents applicable to the Policy in electronic format, and access documents electronically via a hyperlink contained in an electronic mail ("email") or attached to an email, you must provide Transamerica, and its authorized designees and agents, with your consent. If you indicated your consent by electronically signing this document where indicated below, you will be providing Transamerica and its authorized designees and agents, with your consent:

1. To have the information described in this document (Consent to do Business Electronically and Electronic Delivery of and/or Access to Policy Documents, hereinafter referred to as "Consent") made available and delivered to you electronically;

2. To execute via electronic means the documents that are described in this Consent;

3. To submit, via electronic means, your application for an insurance product; and

4. To all of the terms and conditions set forth in this Consent.

What does this Consent cover once I consent?
This Consent covers your agreement to all of the terms and conditions of this Consent, including your agreement to:

1. **Permit the Owner of the Policy to receive via electronic means the documents that Transamerica is required by law or regulation to provide or make available to you in writing ("Required Documents"), as well as other information and documents (collectively, "Other Documents");**

2. **Permit the Owner of the Policy to receive via electronic means privacy notices from Transamerica, including those companies on whose behalf Transamerica sends privacy notices, including World Group Securities, Inc. and Transamerica Financial Advisors, Inc., as well as from any affiliate or subsidiary companies administering or supporting any Policy issued as part of your application (collectively "Privacy Notices");**

3. **Permit the Owner and Insured (and Third Party, if applicable) to submit via electronic means your application for an insurance product;**

4. **Permit the Owner and Insured (and Third Party, if applicable) to execute via electronic means certain Required Documents and Other Documents; and**

5. **Be bound with the same force and effect as if you had signed your name on paper by hand when you electronically sign this Consent where indicated below and click "OK" or otherwise apply your electronic signature to Required Documents or Other Documents.**

NOTE: IF THE OWNER IS NOT THE INSURED, THEN BOTH WILL NEED TO SIGN THE CONSENT BELOW

What is the Scope of this Consent?
This Consent applies to all documents related to your Policy, including, but not limited to, the following: Privacy Notices, prospectuses, prospectus supplements, annual and semiannual reports, annual and quarterly statements, confirmation statements, statements of additional information, proxy solicitation materials, conditional receipts, application, application supplements and addendums, Policy contract, illustrations, amendments, riders, replacement notices, customer correspondence, and any other Required Documents and Other Documents when available (collectively, "Policy Documents"). These Policy Documents will generally be accessible through a hyperlink delivered via email to the Owner's email address(es) written below when electronic access to the various Policy Documents is available from Transamerica.

Even though you have provided Transamerica with this Consent, Transamerica may, at its option, or as required by law: (a) deliver Policy Documents to you on paper, and (b) require that certain communications from you be delivered to Transamerica on paper.

Can I get paper copies of the Policy Documents?
Yes. You may obtain paper copies of any of the Policy Documents at any time and without charge by contacting Transamerica at the address provided below. If you do not wish to access all Policy Documents electronically, please call Transamerica's Customer Service Department at the telephone number provided below.

How long will this Consent remain in effect?
This Consent shall become effective once you sign below and remains in effect for so long as your Policy remains in effect, or until you withdraw your consent (as described in the next section), whichever occurs first.

What if I change my mind?
If at any time you would like to cease doing business electronically with Transamerica with respect to your Policy, you will need to provide Transamerica with written notice of your withdrawal of your consent to do so, which will then terminate this Consent. You may withdraw consent at any time and without charge by contacting Transamerica. Your withdrawal of consent and the termination of this Consent will become effective two (2) business days after Transamerica's receipt of your withdrawal. Thereafter, all Policy Documents will be provided to you on paper and you will no longer be able to conduct business with us electronically, unless you provide your consent again.

4. We must receive the written consent of all irrevocable Beneficiaries (if any) and all assignees (if any) in a form acceptable to us.

Amount of Accelerated Death Benefit: The Accelerated Death Benefit payment we make to you will be less than the amount of the Available Death Benefit which you request to accelerate, but never less than the Election Percentage multiplied by the difference between the Policy Value, if any, and any Loan Balance. For each form of Accelerated Death

Benefit, the Accelerated Death Benefit payment for the amount of the death benefit which you request to accelerate will be calculated as A minus B minus C minus D minus E where A, B, C, D and E are determined as follows:

A. The actuarial present value of the amount of the Available Death Benefit which you request to accelerate, which will be calculated using specific factors and an annual discount interest rate as described in your rider.

B. Any amount necessary to provide insurance to the date of the Accelerated Death Benefit payment if we make the payment during a grace period or after the policy has lapsed.

C. The Loan Balance, if any, at the time the Accelerated Death Benefit is paid, multiplied by the Election Percentage.

D. The actuarial present value of future premiums, including premiums for any Base Insured Rider or Joint Insured Term Rider, but excluding other rider premiums, multiplied by the Election Percentage. The actuarial present value of future premiums is the amount as determined by us that would, prior to the acceleration, otherwise be payable to keep the policy In Force during the period of the Insured's remaining lifetime as determined by the Company at the time of the acceleration. This amount is determined by us using the applicable rated age, mortality tables, and inter- est rate described under 1), 2), and 3) of the Present Value of Accelerated Death Benefit provision. For the Terminal Illness Accelerated Death Benefit, the future premiums are assumed to be zero.

E. An administrative charge for each Accelerated Death Benefit request. The administrative charge, as of January 1,2020, for each Critical and Chronic Accelerated Death Benefit request is $500 and each Terminal Illness Accelerated Death Benefit request is $375, these charges will be subject to future increases based on cumulative annual cost-of-living increases as measured by the Consumer Price Index for All Urban Consumers (CPI) since January 1, 2012. Cumulative annual cost of living increases will not exceed 5% per calendar year. In the event that the CPI is no longer published, a substantially similar index will be used. In no event will the administrative charge for each Accelerated Death Benefit request exceed $1,000.

If we approve your request for a Chronic Illness Accelerated Death Benefit or Critical Illness Accelerated Death Benefit, the amount that may be payable will be based in part on the Insured's remaining life expectancy as determined by us at the time of the acceleration. Generally, the longer the Insured's remaining life expectancy, the lower the payment amount will be. The shorter the Insured's remaining life expectancy, the higher the payment amount will be.

Maximum Accelerated Death Benefit: The maximum death benefit you may accelerate over the lifetime of the Insured is equal to the lesser of:

1. 90% of the Available Death Benefit of this policy for Critical Illness and Chronic Illness; 100% of the Available Death Benefit of this policy for Terminal Illness; or
2. A maximum Accelerated Death Benefit amount declared by us. This amount will never be less than $500,000.

The maximum death benefit you may accelerate in any 12 month period because the Insured is Chronically Ill is the lesser of (1) 24% of the Available Death Benefit of the policy at the time of the initial acceleration, and (2) the annual equivalent of the per diem limitation set forth in Title 26, Section 7702B (d) of the Internal Revenue Code, as adjusted for inflation.

Effect of the Accelerated Death Benefit Payment on the Policy: The policy's benefits and values, as those amounts exist on the date the Accelerated Death Benefit is paid, will be reduced by the Election Percentage. The premium and/or charges and monthly deductions, as applicable, for the policy and any affected riders will also be adjusted after an Accelerated Death Benefit is paid.

Payment of Accelerated Benefits will reduce the death benefit otherwise payable under the policy. Payment of an Accelerated Death Benefit may affect eligibility for Medicaid or other government benefits and entitlements. Accelerated Death Benefits do not and are not intended to qualify as long-term care insurance.

We intend that payments we make under the Accelerated Death Benefit options will receive favorable tax treatment; however, there are circumstances when receipt of an Accelerated Death Benefit payment may be taxable. Please consult your personal tax advisor to determine the tax status of any benefits paid under these options.

Transamerica Financial Choice IUL[SM]

Offered by Transamerica Life Insurance Company, Cedar Rapids, IA ("the Company")

Statement of Understanding and Acknowledgment

Applicant's Name: _____

I am applying for an Index Universal Life Insurance Policy to be issued by the Company. In connection with my application I understand that:

THE POLICY

This policy is intended for people whose primary purpose in buying life insurance is for the death benefit.

Since a portion of the interest credited to the Index Account(s) is calculated in part by reference to outside indexes, there is the potential for greater volatility in the amount of Excess Index Interest credited than of interest credited to the Basic Interest Account (BIA). This policy works best for those individuals who can tolerate fluctuations in interest crediting and is not recommended for policyowners who do not intend to allocate a significant portion of their net premiums to the Index Account(s).

This policy is not an investment in the stock markets or indexes and does not participate in any stock or security.

PREMIUMS

I must pay premiums on a regular basis to keep the policy in effect. The policy may lapse if I do not have sufficient Cash Surrender Value (Policy Value less the Surrender Charge and less any Loan Balance) in the policy to pay the next Monthly Deduction and Index Account Monthly Charge and have not paid enough premiums to meet the Minimum No Lapse Premium requirement. In that event, I would be required to pay additional premiums to keep the policy in force.

ACCOUNT OPTIONS

The policy I am applying for allows me to allocate my net premium payments to more than one Account Option: the Basic Interest Account and the Index Accounts. Interest will be credited differently to the different Account Options.

INTEREST

Net premiums allocated to the Basic Interest Account will earn interest at the Current Interest Rate declared by the Company. This rate is guaranteed never to be less than 1% per year. Net Premiums received after a Monthly Policy Date that are to be allocated to the Basic Interest Account will earn interest at the Current Interest Rate.

Net Premiums allocated to the Index Accounts will earn interest at a guaranteed minimum annual interest rate of 0.25%. Net Premiums received after a Sweep Date (15th of the month) that are to be allocated to an Index Account will earn interest at the current BIA rate until the next Sweep Date, when they will be placed into the next Index Account Segment. Additional interest ("Excess Index Interest") may be credited at of the end of each one-year Segment Period.

EXCESS INDEX INTEREST

Excess Index Interest on the Index Accounts is determined using a formula based on changes in the index(es), excluding dividend income, and cannot exceed the applicable Cap established by the Company. The Company may determine a different Cap or Participation Rate for each Segment which may be changed by us at the Segment Anniversary. Current Caps and Participation Rates will be shown in Policy Statements and may be obtained from the Company's Administrative Office.

Excess Index Interest, if any, is credited to a segment at the end of each one year Segment Period. Any Policy Values, Death Benefit or Cash Surrender Value determined during a Segment Period will be based only on guaranteed minimum interest that has already been credited during the Segment Period. A Policy Statement reflecting Policy Values and the interest credited for a policy year will be provided annually.

EXCESS INDEX INTEREST (CONTINUED)

Monthly Deductions, Index Account Monthly Charges, and certain policyowner transactions, such as transfers, loans and withdrawals, occurring during a Segment Period will reduce the value used in determining Excess Index Interest. This will result in the reduction of any Excess Index Interest that might otherwise have been credited at the end of the Segment Period. Upon surrender of the policy, no Excess Index Interest will be credited for partial years on any Index Account Segment.

TRANSFERS

Transfers from an Index Account Segment will only be processed at the end of the Segment Period. For purposes of dollar cost averaging, transfers to an Index Account are processed on the Sweep Date following receipt of the request. Transfers from the Basic Interest Account will only be processed once per month on the Sweep Date.

LOANS AND WITHDRAWALS

Loans and withdrawals may be taken from the Basic Interest Account and the Index Accounts(s). Loans and withdrawals are subject to certain fees and charges and to the conditions and limitations specified in the policy. Withdrawals are subject to a Partial Surrender Charge if they occur during a surrender charge period. Interest may be charged and credited differently to different types of loans taken from the Policy.

SURRENDERS

If the policy is surrendered, the Cash Surrender Value of the policy will be equal to the greater of the Policy Value or Cumulative Guaranteed Value less any applicable surrender charges and any Loan Balance. Surrender charges apply for a period of up to 12 policy years from the issue date and from the date of any Face Amount increase. The surrender charge will vary based on the Face Amount and duration of the Policy and the issue age, gender and class of risk of the insured on the policy date and at the time of any increase in the Face Amount.

CHANGES IN FACE AMOUNT

You may request an increase or decrease in the Face Amount of the policy. Increases approved by the company will have their own surrender charge periods and charges. We will deduct a partial surrender charge for decreases in the Face Amount occurring during a surrender charge period.

CUMULATIVE GUARANTEED VALUE

This policy employs an alternate value that, if greater than the Policy Value, will be substituted for the Policy Value in the determination of Cash Surrender Value and the amount of the death benefit.The Cumulative Guaranteed Value can be negative, but a negative amount does not accrue interest charges nor does it reduce the Policy Value or death benefit.

PERSISTENCY CREDIT

A Persistency Credit is a nonguaranteed partial return of expenses credited annually to the Policy Value beginning on the later of the 10th Policy Anniversary and Age 60 and continuing each Policy Anniversary through Age 99.

CONSUMER BROCHURE

I have received a copy of the Consumer Brochure containing information regarding the policy. I understand that I have a certain period of time after receipt of the policy issued to me to review and return it for a refund of premium as described in the policy.

I have read and understand the above disclosures of certain limitations and restrictions regarding the policy and the Index Account(s).

The guaranteed minimum interest rates for the Basic Interest Account and Index Accounts are shown on the previous page. Non-guaranteed rates and other elements appearing on illustrations or other related materials are hypothetical and actual results may be less favorable than those shown on such documents. I understand I may select the assumed rates and elements used in illustrations or other related materials.

NOTICE TO APPLICANTS REGARDING REPLACEMENT OF LIFE INSURANCE OR AN ANNUITY. THIS NOTICE IS FOR YOUR BENEFIT AND IS REQUIRED BY LAW.

1. If you are urged to purchase life insurance and to surrender, lapse, or in any other way change the status of existing life insurance, the agent is required to give you this notice.

2. It may not be advantageous to drop or change existing life insurance in favor of new life insurance, whether issued by the same or a different insurance company. Some of the disadvantages are:

   a. The amount of the annual premium under an existing policy may be lower than that under a new policy having the same or similar benefits.
   b. Generally, the initial costs of life insurance policies are charged against the cash value increases in the earlier policy years, the replacement of an old policy could result in the policyholder sustaining the burden of these costs twice.
   c. The incontestable and suicide clauses begin anew in a new policy. This could result in a claim under a new policy being denied by the company which would have been paid under the old policy.
   d. Existing policies may have more favorable provisions than new policies in such areas as settlement options and disability benefits.
   e. An existing policy may have a reserve value in addition to any cash value which may be of some benefit to the insured.
   f. The insurance company carrying your current insurance policy can often make a desired change on terms which would be more favorable than if existing insurance is replaced with new insurance.

3. It may not be advantageous to change an existing policy to reduce paid-up or extended term insurance or to borrow against its loan value beyond your expected ability or intention to repay in order to obtain funds for premiums on a new policy.

4. There may be a situation in which a replacement policy is advantageous. You may want to receive the comments of the present insurance company before deciding this important financial matter.

I hereby acknowledge that I received the above “Notice to Applicants Regarding Replacement of Life Insurance or an Annuity” before I signed the application for the proposed new insurance.

DEFINITIONS

PREMIUMS: Premiums are the payments you make on the life insurance or annuity contract. They are unlike deposits in a savings or investment program because if you drop the policy you might get back less than you paid in.

CASH SURRENDER VALUE: This is the amount of money you can get if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and loan value. Not all policies have cash surrender values.

LAPSE: A life insurance policy may lapse when you do not pay the premiums within the grace period. If your policy had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

SURRENDER: You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. If a policy has a cash surrender value, you can receive such value in cash if you return the policy to the company with a written request.

PLACE ON EXTENDED TERM: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before but you will only be covered for a specified period of time.

BORROW POLICY LOAN VALUES: If your life insurance policy has a cash surrender value, you can usually borrow all or part of said amount from the insurer. Interest will be charged according to the terms of the policy, and if the loan and unpaid interest ever exceeds the cash surrender value the policy will be terminated. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

EVIDENCE OF INSURABILITY: This means proof that you are an acceptable risk. You have to meet the standards of the insurer regarding age, health, occupation, and such other standards as the insurer feels necessary to be eligible for coverage.

INCONTESTABLE CLAUSE: This says that after one (1) or two (2) years, according to the provisions of the contract, the insurer shall not resist a claim because you made a false or incomplete statement when you applied for the policy. During the first two (2) years if there are false or incomplete answers on the application and the insurer discovers them, the insurer can deny a claim as if the policy has never existed.

SUICIDE CLAUSE: This says that if you commit suicide after being insured for less than two (2) years, your beneficiaries will receive only a refund of the premiums that were paid.
