As a convenience to me, I request and authorize the Company named above to make withdrawals, by draft or electronic transfer, from my account with the financial institution named for: (1) premiums becoming due (including premiums which have increased from the initial payment amount under the terms of the policy(ies) or due to changes made to the policy(ies)); (2) other amounts due under the policy(ies) listed above (including any amendments, endorsements, riders, or amounts past due); (3) loan payments if authorized above or later agreed to by me; and/or (4) such other payments as I may authorize the Company to make. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made to the policy(ies). I understand that if a withdrawal is not honored for payment by the financial institution, with or without cause and whether intentionally or inadvertently, and the premiums are not otherwise paid within the grace period allowed by a policy, the policy may terminate.

As a convenience to me, I hereby request the financial institution named above (and its successors and assigns) to accept and honor the draft or transfer withdrawals made by the Company from my account. I agree the financial institution shall be fully protected in honoring such draft or transfer.

This authorization shall take effect when recorded and processed by the Company and financial institution and will remain in effect until I notify the Company or the financial institution in writing to terminate and the Company or financial institution has a reasonable time to act on the termination request. I hereby terminate any prior authorization of the Company to initiate charges to this account for the above policy(ies) effective the date on which the initial charge is made under this authorization. **Notice to Applicants
Regarding Replacement of
Life Insurance or an Annuity**

Transamerica Life Insurance Company

Home Office: 6400 C Street SW, Cedar Rapids, IA 52499

THIS NOTICE IS FOR YOUR BENEFIT AND IS REQUIRED BY LAW.

1. If you are urged to purchase life insurance and to surrender, lapse, or in any other way change the status of existing life insurance, the agent is required to give you this notice.
2. It may not be advantageous to drop or change existing life insurance in favor of new life insurance, whether issued by the same or a different insurance company. Some of the disadvantages are:
 - a. The amount of the annual premium under an existing policy may be lower than that under a new policy having the same or similar benefits.
 - b. Generally, the initial costs of life insurance policies are charged against the cash value increases in the earlier policy years, the replacement of an old policy could result in the policyholder sustaining the burden of these costs twice.
 - c. The incontestable and suicide clauses begin anew in a new policy. This could result in a claim under a new policy being denied by the company which would have been paid under the old policy.
 - d. Existing policies may have more favorable provisions than new policies in such areas as settlement options and disability benefits.
 - e. An existing policy may have a reserve value in addition to any cash value which may be of some benefit to the insured.
 - f. The insurance company carrying your current insurance policy can often make a desired change on terms which would be more favorable than if existing insurance is replaced with new insurance.
3. It may not be advantageous to change an existing policy to reduce paid-up or extended term insurance or to borrow against its loan value beyond your expected ability or intention to repay in order to obtain funds for premiums on a new policy.
4. There may be a situation in which a replacement policy is advantageous. You may want to receive the comments of the present insurance company before deciding this important financial matter.

I hereby acknowledge that I received the above "Notice to Applicants Regarding Replacement of Life Insurance or an Annuity" before I signed the application for the proposed new insurance.

DEFINITIONS

PREMIUMS: Premiums are the payments you make on the life insurance or annuity contract. They are unlike deposits in a savings or investment program because if you drop the policy you might get back less than you paid in.

CASH SURRENDER VALUE: This is the amount of money you can get if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and loan value. Not all policies have cash surrender values.

LAPSE: A life insurance policy may lapse when you do not pay the premiums within the grace period. If your policy had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

SURRENDER: You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. If a policy has a cash surrender value, you can receive such value in cash if you return the policy to the company with a written request.

PLACE ON EXTENDED TERM: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before but you will only be covered for a specified period of time.

BORROW POLICY LOAN VALUES: If your life insurance policy has a cash surrender value, you can usually borrow all or part of said amount from the insurer. Interest will be charged according to the terms of the policy, and if the loan and unpaid interest ever exceeds the cash surrender value the policy will be terminated. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

EVIDENCE OF INSURABILITY: This means proof that you are an acceptable risk. You have to meet the standards of the insurer regarding age, health, occupation, and such other standards as the insurer feels necessary to be eligible for coverage.

INCONTESTABLE CLAUSE: This says that after one (1) or two (2) years, according to the provisions of the contract, the insurer shall not resist a claim because you made a false or incomplete statement when you applied for the policy. During the first two (2) years if there are false or incomplete answers on the application and the insurer discovers them, the insurer can deny a claim as if the policy has never existed.

SUICIDE CLAUSE: This says that if you commit suicide after being insured for less than two (2) years, your beneficiaries will receive only a refund of the premiums that were paid.
