If a conditional receipt was issued along with this authorization, initial premium will be withdrawn/cashed upon receipt of the application by the Company. Unless a conditional receipt was issued along with this authorization, I/we agree this authorization shall not become effective for payment of the initial premium unless and until after a contract is issued and all other conditions of coverage set forth in the application have been met.

As a convenience to me, I request and authorize the Company named above to make withdrawals, by draft or electronic transfer, from my account with the financial institution named for: (1) premiums becoming due (including premiums which have increased from the initial payment amount under the terms of the policy(ies) or due to changes made to the policy(ies)); (2) other amounts due under the policy(ies) listed above (including any amendments, endorsements, riders, or amounts past due); (3) loan payments if authorized above or later agreed to by me; and/or (4) such other payments as I may authorize the Company to make. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made to the policy(ies). I understand that if a withdrawal is not honored for payment by the financial institution, with or without cause and whether intentionally or inadvertently, and the premiums are not otherwise paid within the grace period allowed by a policy, the policy may terminate.

As a convenience to me, I hereby request the financial institution named above (and its successors and assigns) to accept and honor the draft or transfer withdrawals made by the Company from my account. I agree the financial institution shall be fully protected in honoring such draft or transfer.

This authorization shall take effect when recorded and processed by the Company and financial institution and will remain in effect until I notify the Company or the financial institution in writing to terminate and the Company or financial institution has a reasonable time to act on the termination request. I hereby terminate any prior authorization of the Company to initiate charges to this account for the above policy(ies) effective the date on which the initial charge is made under this authorization. I also understand and agree that if a withdrawal is not honored by the financial institution for any reason, the Company may cease attempting to make withdrawals through the use of this authorization.

Bank Account Will be Subject to Identity Verification

To help ensure the security of your funds, if bank account information is provided, the Company may obtain a consumer report from a Consumer Reporting Agency ("CRA") to help verify the validity and accuracy of the account information provided. If I have provided the company with bank account information, I authorize the Company to obtain a consumer report from the CRA as described above, and acknowledge that I: (1) understand that in order for the CRA to verify my account information, some of my personal information will be shared with the CRA; and (2) consent to such sharing, retention, and use.

Receipt of the Accelerated Death Benefit may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements. In addition, receipt of the Accelerated Death Benefit may be taxable and assistance should be sought from a personal tax advisor.

Description of Benefit: Upon receipt of proof acceptable to us of the Insured's Qualifying Event, the Owner may choose to receive the Accelerated Death Benefit while the Insured is alive and the Rider is In Force.

Qualifying Event: An event defined in the Rider, which allows for payment of the Accelerated Death Benefit.

Accelerated Death Benefit Amount: The Accelerated Death Benefit shall be equal to:

- 1. the Policy Death Benefit that would be In Force at the end of the 12 month period following the Acceleration Date, before deduction of any outstanding Loan Balance; less
- 2. a discount on the Accelerated Death Benefit calculated for the 12 month period using the current interest rate; less
- 3. any outstanding policy loans, including accrued interest until the end of the 12 months following the Acceleration Date; less
- 4. any premiums which would be required to keep the Policy In Force for the 12 month period following the Acceleration Date for the Policy Amount of Insurance reduced by an appropriate discount using the current interest rate.

Termination of Coverage: The Accelerated Death Benefit Rider will automatically terminate when the Policy to which it is attached terminates or lapses or matures or is continued under one of the nonforfeiture options; or when the Accelerated Death Benefit is paid; whichever occurs first.

Impact on the Policy's Death Benefit: The Policy to which the Rider is attached will terminate on the date the Accelerated Death Benefit is paid.

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

| 1. | Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? YES NO | | | |

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

Are they affordable?

Could they change?

You're older – are premiums higher for the proposed new policy?

How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old policy may have been paid; you will incur costs for the new one.

What surrender charges do the policies have?

What expenses and sales charges will you pay on the new policy?

Does the new policy provide more insurance coverage?

INSURABILITY:

If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new policy.

[Claims on most new policies for up to the first two years can be denied based on inaccurate statements.

Suicide limitations may begin anew on the new coverage.]

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

How are premiums for both policies being paid?

How will the premiums on your existing policy be affected?

Will a loan be deducted from death benefits?

What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

Will you pay surrender charges on your old contract?

What are the interest rate guarantees for the new contract?

Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

What are the tax consequences of buying the new policy?

Is this a tax-free exchange? (See your tax advisor)

Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?

Will the existing insurer be willing to modify the old policy?

How does the quality and financial stability of the new company compare with your existing company?

30 DAY RIGHT TO CANCEL

In the event of a replacement transaction, you may cancel this policy by delivering or mailing a written request to the Company. You must return the policy to the Company before midnight of the thirtieth day after the day you receive it. You will receive an unconditional full refund of all premiums or considerations paid on it, less any withdrawals and indebtedness, including any policy fees or charges or, in the case of a variable or market value adjustment policy, payment of the cash surrender value provided under the policy plus the fees and other charges deducted from the gross premiums or considerations or imposed under the policy. Your written request given by mail and return of the policy by mail are effective on being postmarked, properly addressed and postage prepaid.
