The loss of a parent is an unimaginable tragedy, but as a Foresters member, there is a measure of peace knowing that we can be there to help your children when they need it most.

**Foresters Orphan Benefit** is a monthly payment that may provide \$900 per month per child to the legal guardian for children under 18 upon the death of the parents or sole surviving parent. So if the unthinkable happens, we're here to help. We'll treat your children just like family and provide financial support through the orphan benefit until they turn 18.

After high school, your children may also be eligible to apply for the Foresters Orphan Scholarship, which may provide up to \$6,000 annually to cover full-time, postsecondary education costs for up to four consecutive years.
